

HS STEM Teacher:

Job description

Fellowship Christian School has an opening for a full-time, High School STEM teacher for the 2021-2022 school year. We are a college prep K4-12th grade school of approximately 900 students. Our aim is to prepare students to excel in any field of study that God calls them to while instilling a strong Biblical foundation.

Fellowship Christian School has a well-developed, project-based, multi-pathway STEM program with an emphasis on project/problem-based learning in engineering, computer science and architecture. We are looking for someone to join our experienced STEM faculty team.
