Dear Yearbook/Productions Candidate,

Thank you for your interest in becoming a member of next year's yearbook/Publications staff. Yearbook/Publications offers you the chance to participate in capturing and preserving the school's history and learn different ways to preserve memories of the school and let people know what is going on. Our yearbook/publications staff works together to **photograph, write, design the yearbook, create newsletters, conduct interviews, Video Announcements, etc.**

What interests do you have relating to publication and interviewing, Photography, etc.?
