Acceptance of a proposal neither commits the District to award a contract with any firm, even if all requirements in this RFP are met, nor limits its right to negotiate in the best interest of the District. The District reserves the right to contract with any firm for any reason. The District is not required to accept the low bidder's proposal.

All corporate information required in this RFP must be included for each proposed partner or sub-contractor. The proposal must also include copies of any agreements to be executed between the prime contractor and any partners or subcontractors in the event of contract award. Under this RFP, the District retains the right to approve all partners or sub-consultants.

Ambiguity in the Request for Proposal (RFP)

Prior to submitting the proposal, the contractor is responsible to bring to the District's attention any ambiguity in this RFP. Failure to do so shall result in the contractor forfeiting any claim for adjustment based on such ambiguity as should have been noted by a prudent contractor.

In the event of any ambiguity between the District's RFP and the proposer's proposal, then whatever shall be more favorable to the District as determined in the sole discretion of the District shall prevail and take precedence.

Ownership Information

The District shall have unlimited rights to use, disclose or duplicate, for any purpose whatsoever, all information developed, derived, documented or furnished by the proposer under any contract resulting from this RFP.

Notification to Bidders (Rev. 9-1-17)

1. The contract awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes.

The District is an Affirmative Action/Equal Opportunity Employer/purchaser. Small, Minority, Women and Disadvantaged Business Enterprises are encouraged to respond.

The District aggressively solicits the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials. "Minority business enterprise" is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: (1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n." "Minority" groups are defined in Section 32-9n of the Connecticut General Statutes as "(1) Black Americans; (2) Hispanic Americans; (3) persons who have origins in the Iberian Peninsula; (4) Women; (5) Asian Pacific Americans and Pacific Islanders; and (6) American Indians. An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The District will consider the following factors when reviewing the Bidder's/Proposer's qualifications:

- (a) success in implementing an affirmative action plan;
- (b) where applicable, success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) a promise to develop and implement a successful affirmative action plan;
- (d) submission of employment statistics contained in the Connecticut Commission on Human Rights and Opportunities ("CCHRO") "Employment Information Form", indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and

(e) a promise to set aside a portion of the contract for legitimate minority business enterprises.

2. Non-Discrimination

(a) The contractor agrees and warrants that in the performance of the contract, it will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, sexual orientation, mental retardation or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States or of the state of Connecticut. If the contract is for a public works project, the contractor agrees and warrants that it will make good faith efforts to employ minority business enterprises as subcontractors and supplies of materials on such project. The contractor further agrees to take affirmative action to ensure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, sexual orientation, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved;

(b) the contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the contractor, to state that it is an "Affirmative Action-Equal Opportunity Employer" in accordance with regulations adopted by the CCHRO;

(c) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a copy of these provisions, advising the labor union or worker's representative of the contractor's commitments under these provisions and to post copies of the notice in conspicuous places available to employees and applicants for employment;

(d) the contractor agrees to comply with each provision of this section and Conn. Gen. Stat. Sections 4a-62, 32-9e, 46a-56 and 46a-68b to 46a-68k, inclusive, and with each regulation or relevant order issued by said CCHRO;

(e) the contractor agrees to provide the District with such information requested by the District, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor.

3. Subcontractors

The contractor shall include the provisions of subsection (2) in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the District and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the CCHRO. The contractor shall take such action with respect to any such subcontract or purchase order as the District may direct as a means of enforcing such provisions.

The contractor agrees to comply with the CCHRO's requirements as they exist on the date of this contract and as they may be adopted or amended from time to time during the term of this contract and any amendments thereto.

GIFTS:

During the term of this contract, including any extensions, the Contractor shall refrain from

making gifts of money, goods, real or personal property or services to any appointed or elected official or employee of the District or the RSD17 Board of Education or any appointed or elected official or employee of their Boards, Commissions, Departments, Agencies or Authorities. All references to the Contractor shall include its officers, directors, employees, and owners of more than 5% equity in the contractor. Violation of this provision shall constitute a material breach of this Agreement, for which this Agreement may be summarily terminated.

PLEASE NOTE: THIS AGREEMENT IS PROVIDED AS AN EXAMPLE ONLY. THE ACTUAL CONTRACT SUBMITTED FOR YOUR FIRM'S SIGNATURE WILL VARY BASED UPON THE PARTICULARS OF THE SPECIFIC RFP/RFQ PACKAGE.

6. ASSIGNMENT. The Contractor shall not assign or transfer any portion of the work set forth herein without the prior written approval of the District.

7. BOOKS AND RECORDS. The Contractor shall maintain or cause to be maintained all records, books, or other documents relative to charges, costs, expenses, fees, alleged breaches of Agreement, settlement of claims, or any other matter pertaining to the Contractor's demand for compensation by the District for a period of not less than three (3) years from the date of the final payment for work performed under this Agreement.

10. INTERPRETATION. The parties agree that in the event of any ambiguity between the terms of this Agreement, the District's Request for Proposal (Exhibit A), and the Contractor's Proposal (Exhibit B), the District in its sole discretion shall determine the terms and/or the documents which shall prevail and take precedence.

11. NON-APPROPRIATION. The Contractor acknowledges that the District is an educational entity and that the District's obligation to make payments under this Agreement is contingent upon the appropriation by the District's Board of Education of funds sufficient for such purposes, for each budget year in which this Agreement is in effect. If sufficient funds to provide for the payment(s) hereunder are not appropriated, the District may terminate this Agreement upon notice in writing to the Contractor.

12. SUBCONTRACTING. Aside from those subcontractors disclosed in The Contractor's Proposal, attached hereto as Exhibit B, if any, the Contractor is prohibited from further subcontracting the work of this Agreement or any part of it unless The District first approves such subcontracting in writing and approves, in writing, of the specific subcontractor(s) The Contractor proposes to be used. . The Contractor shall provide the District fully executed copies of the District State of Connecticut Contractor Verification (in accordance with Public Act 16-67) Compliance Affidavit(s) for all proposed subcontractors. An agreement made in violation of this provision shall confer no rights on any party and shall be null and void. Should The District approve of a proposed subcontractor,;

13. TERMINATION.

A. TERMINATION FOR CAUSE, SANCTIONS AND PENALTIES. If, through any cause, the Consultant shall fail to fulfill, in a timely and proper manner, its obligations under this Agreement, or if the Consultant shall violate any laws or any of the covenants, agreements, or stipulations of this Agreement, the District shall thereupon have the right to terminate this Agreement for cause by giving written notice to the Consultant of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In that event, all finished or unfinished reports, documents, data, studies, photographs, or other material prepared by the Consultant pursuant to its performance under this Agreement shall, at the option of the District, become the District's property. The

Consultant shall be entitled to receive just and equitable compensation for any satisfactory services completed up to the effective date of termination. The Consultant shall not be responsible for any claims resulting from the District's use of the documents on another project or changes made to the documents without the Consultant's express written permission;

The term "cause" includes, without limitation the following:

- 1) If the Consultant furnished any statement, representation, warranty or certification in connection with this Agreement, which is materially false, deceptive, incorrect, or incomplete;
- 2) If the Consultant fails to perform to the District's satisfaction any material requirement of this Agreement or is in violation of any specific provision thereof or any State or Federal law or requirement; or
- 3) If the District reasonably determines that satisfactory performance of this Agreement is substantially endangered or can reasonably anticipate such an occurrence or default.

Should the District terminate this Agreement for cause, the Consultant shall not be relieved of liability to the District for any damages sustained by the District by virtue of any breach of this Agreement by the Consultant and the District may withhold any payment to the Consultant for the purposes of setoff until such time as the exact amount of damages due the District from the Consultant is determined. Further, if applicable, the District shall have the right to:

- 1) Complete the work of this Agreement, or any part thereof, either by itself or by other consultants, at the expense of the Consultant;
- 2) Purchase the products or services that are the subject of this Agreement elsewhere and hold the Consultant responsible for any increase in cost;
- 3) Pursue any equitable remedy, including, but not limited to, specific performance or injunction; and/or
- 4) Disqualify the Consultant from bidding on, submitting proposals for, or being awarded any District contract for a period not to exceed two (2) years from the date of such termination;

B. TERMINATION FOR CONVENIENCE. The District may terminate this Agreement at any time the District determines that the purposes of the distribution of monies under the Agreement would no longer be served by the services provided. The District shall effect such termination by giving written notice of termination to the Consultant and specifying the effective date thereof, at least twenty (20) days before the effective date of such termination. In that event, all finished or unfinished documents and other materials as described Subsection A shall, at the option of the District, become property of the District. If the Agreement is terminated by the District as provided herein, the Consultant shall be paid an amount which bears the same ratio to the total compensation as the services actually and satisfactorily performed to the effective date of termination bear to the total services of the Consultant pursuant to the terms of the Agreement, less payments of compensation previously made, and subject to the District's right of set off for any damages pursuant to the terms of the Agreement.

14. DISPUTE RESOLUTION.

A. EXECUTIVE MEETING. The parties shall endeavor to resolve all claims, disputes, or other matters in controversy arising out of or related to this Agreement (“Claims”) through a meeting of the chief executives of each party, or their respective designees (“Executive Meeting”).

A request for an Executive Meeting shall be made by a party in writing and delivered to the other party. The request may be made concurrently with the filing of a non-binding mediation as set forth herein. The Executive Meeting shall be a condition precedent to mediation unless 30 days have passed after the Executive Meeting has been requested with no meeting having been held.

The Executive Meeting shall be held in the place where the Project is located, unless another location is mutually agreed upon.

B. MEDIATION. Any Claim subject to, but not resolved by, an Executive Meeting shall be subject to mediation which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its applicable rules and procedures in effect on the date of this Agreement. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the mediation.

The request may be made concurrently with the filing of arbitration but, in such event, mediation shall proceed in advance of arbitration, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration is stayed pursuant to this Section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.

The parties shall share the mediator’s fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

C. ARBITRATION. Any Claim subject to, but not resolved by, mediation shall, in the sole discretion of The District, be subject to arbitration which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its applicable rules and procedures in effect on the date of this Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.

A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the Claim would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the Claim.

The award rendered by the arbitrator or arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law.

Any judgment will be entered or court action will be brought in a court of competent jurisdiction within the State of Connecticut.

D. **PERFORMANCE DURING DISPUTE.** Unless otherwise directed by The District, The Contractor shall continue performance under this Agreement while matters in dispute are being resolved.

E. **CLAIMS FOR DAMAGES.** Should either party to this Agreement suffer injury or damage to person or property because of any act or omission of the other party or of any of its employees, agents or others for whose acts it is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

15. GOVERNING LAWS & VENUE. This Agreement shall be governed by the laws of the State of Connecticut and the parties hereto hereby waive any choice of law provisions contained therein. Any action arising out of the duties and obligations of this Agreement shall be brought in either the Connecticut Superior Court in Middletown, Connecticut, or the Federal District Court in Bridgeport, Connecticut;

16. GIFTS. During the term of this Agreement, including any extensions, The Contractor shall refrain from making gifts of money, goods, real or personal property or services to any appointed or elected official or employee of The District or the Board of Education or any appointed or elected official or employee of their Boards, Commissions, Departments, Agencies or Authorities. All references to The Contractor shall include its members, officers, directors, employees, and owners of more than 5% equity in The Contractor. Violation of this provision shall constitute a material breach of this Agreement, for which this Agreement may be summarily terminated; and

17. RIGHT TO WORK. The Contractor recognizes that this Agreement does not grant the Contractor the exclusive right to perform the work for the District and that the District may enter into similar agreements with other Contractors for the same work at the District's sole discretion.

18. CAPACITY/INDEPENDENT CONTRACTOR. The Contractor is acting as an independent contractor and is not an employee of the District. This Agreement is for services only and does not create a partnership or joint venture between the Contractor and the District. The District shall not be required to pay, or make any contribution to, any social security, local, state or federal tax, unemployment compensation, workers' compensation, insurance premium, profit sharing, pension or any other employee benefit for the Contractor during the Term. The Contractor is responsible for paying, and complying with reporting requirements for, all state, local, and federal taxes related to payments made to the Contractor pursuant to this Agreement.

19. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. The counterparts shall together constitute but one Agreement. Any signature on a copy of this Agreement or any document necessary or convenient thereto sent by facsimile, PDF or other electronic format shall be binding upon such transmission and the facsimile, PDF or other electronic format copy shall be deemed an original for the purposes of this Agreement.

CONTRACT COMPLIANCE REGULATIONS
NOTIFICATION TO BIDDERS**

(Revised 09/3/15)

The contract to be awarded is subject to contract compliance requirements mandated by [Sections 4a-60](#) and [4a 60a](#) of the Connecticut General Statutes; and, when the awarding agency is the State, [Sections 46a-71\(d\)](#) and [46a-81i\(d\)](#) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at [Section 46a-68j-21 through 43](#) of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by [Sections 4a-60](#) and [46a-71\(d\)](#) of the Connecticut General Statutes.

According to [Section 46a-68j-30\(9\)](#) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in [Section 4a-60](#) of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of [Section 32-9n](#).” “Minority” groups are defined in [Section 32-9n](#) of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by [Section 4a-60g](#) of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of [Section 46a-68j-21\(11\)](#) of the Contract Compliance Regulations.

REQUEST FOR PROPOSALS FOR EDUCATIONAL FACILITY ASSESSMENTS, DEMOGRAPHIC STUDY & MASTER PLANNING

PROJECT OVERVIEW

1. Scope and Goals of the Educational Facility Assessments, Demographic Studies and Master Plan

Regional School District 17 (the “District”) is requesting proposals from qualified Educational consultants and Architectural/Engineering firms for Educational Facility Assessments, a Demographic Study, and a Board of Education Master Plan (the “Plan”). The District will employ a consulting firm (or a team of firms, led by a prime firm) to **simultaneously** evaluate the physical condition of all existing school facilities, investigate and assess viability of alternate land/buildings (to be provided) and perform a Demographic Study projecting out at least 20 years in order to develop and prioritize options, prepare final documents, and present recommendations to the District.

The Plan will guide the District with research-based knowledge of best models to incorporate the District’s mission and educational vision, as well as national educational standards, and provide a framework for implementation.

The vision and desired outcomes for this Plan include at least the following goals:

- A comprehensive holistic plan that takes into accounts all of schools;
- Study of the school buildings’ structural integrity, infrastructure and ability to meet District’s needs;
- A District-wide projected enrollment assessment (including the variable of COVID’s impact on the housing market); and
- A long-term Capital Management Plan for the future that includes considerations such as climate change on buildings and mechanical infrastructures.

It is the District’s intent that the planning process be comprehensive and lead to adoption of a District wide long-term Master Plan that will provide the model for facilities planning for a short-term (1 - 5 years), mid-range (5 - 10 years), and long-range (10 - 20 years). The short, median and long-term actions shall be presented in tiered good, better, best solutions. The Plan will take into account current facility deficiencies, capacity, as well as demographics.

The process shall include a review of functional deficiencies and condition issues in existing facilities, educational suitability issues, technology readiness issues, special program needs, demographic trends, and capacity issues. All of the District’s sites will be included in the evaluation and planning, although needs and levels of planning effort will vary from site to site. Additionally, other sites either owned by the District or privately held buildings, but not operated by the District, will be included in the evaluation and planning (Guidance will be provided by the District).

The Plan should, at a minimum, include the following:

- An inventory of the condition of the District's existing school buildings.

- Develop a desirable development scenario, based on the school facility needs assessment and demographic trends with input from the District, the public and other stakeholders.
- Develop a Draft Master Plan.
- Final Master Plan.

3. Governance of Project
