

MANSFIELD INDEPENDENT SCHOOL DISTRICT

A Destination District Committed to Excellence.

March 2, 2021

Dear Mansfield ISD Community:

Today, Governor Greg Abbott issued an executive order that increases facility capacity to 100% and lifts the statewide mask mandate beginning Wednesday, March 10. After the governor's announcement, Tarrant County Judge Glen Whitley stated that his countywide mask order is lifted effective immediately. Additionally, the Texas Education Agency (TEA) just released a statement that updated health guidance for districts will be issued this week in response.

The safety of our students, staff and families will always be top priority. Mansfield ISD is currently assessing and evaluating how this will affect the district's current safety and health protocols. Until then, we ask that students and staff continue to follow our current practices.

Throughout this coronavirus (COVID-19) pandemic, district administration has stayed in continuous conversation with health experts from all levels. In addition, the next COVID-19 Advisory Task Force meeting will be held this Thursday. The task force is made up of various parents, staff, students and community members.

Please know that we will continue to monitor the situation and communicate any updates as necessary. Thank you for your continued support as we work together for the safety of the Mansfield ISD community.

Sincerely,

Dr. Kimberley Cantu
Superintendent
