Subd. 4. The School District may adjust the proposed beginning or ending date of a child care/adoption leave so that the dates of the leave are coincident with some natural break in the school year. The availability of a substitute employee may also be considered by the School District in the granting of a child care/adoption leave or the duration thereof.

Subd. 5. In making a determination concerning the commencement and duration of a child care/adoption leave, the School District shall not, in any event, be required to: grant any leave more than twelve (12)

months in duration or permit the employee to return to employment prior to the date designated in the request for child care/adoption leave.

Subd. 6. An employee returning from child care/adoption leave shall be reemployed in a position for which qualified unless previously discharged or laid off.

Subd. 7. Failure of the employee to return pursuant to the date determined under this section shall constitute grounds for termination unless the School District and the employee mutually agree, in writing, to an extension in the leave.

Subd. 8. Leave under this section shall be without pay or fringe benefits.

Subd 9. An employee on Child Care Leave is eligible to continue to participate in group insurance programs (health insurance, dental insurance, life insurance, supplemental life insurance) as permitted under the insurance policy provisions provided the employee pay the entire premium for such group insurance programs commencing with the beginning of the leave (see District Website, Human Resources for specific coverage available). It is the responsibility of the employee to pay the monthly premium amounts in advance and on such dates as determined by the District/Third Party Administrator. The right to continue participation in such group insurance programs will discontinue upon termination of employment, failure of the employee to pay the premiums to the District/Third party administrator, or the expiration of insurance availability under the insurance policy provisions. Since long-term disability insurance coverage replaces salary, and there is no salary for an Unpaid/Child Care Leave, long term disability insurance coverage is not available.

Section 4. Unpaid Leave. Request for a "leave of absence" without pay or benefits of up to ninety (90) calendar days may be presented, in writing, to the Superintendent or his/her designee. The administration of the School District reserves the right to grant or deny such a request at its discretion. The employee will return to his/her current position.

Subd. 2. A deduction shall be made from the employee's accumulated vacation or sick leave accrual time according to the portion of days of sick leave or vacation time which is used to supplement workers' compensation.

Subd. 3. Such payment shall be paid by the School District to the employee only during the period of disability.

Subd. 4. In no event shall the additional compensation paid to the employee by virtue of sick leave or vacation pay result in the payment of a total daily, weekly or monthly compensation that exceeds the compensation of the employee.

Subd. 5. An employee who is absent from work as a result of an injury compensable under the Workers' Compensation Act who receive sick leave or vacation pay pursuant to this section shall submit his/her workers' compensation check, endorsed to the School District, prior to receiving payment from the School District for his/her absence, pursuant to Subds. 1.-4. above.

Subd. 6. An employee shall not be entitled to sick pay benefits under this section if he/she is injured while in the employment of another employer nor shall any accrual of such sick leave or vacation during the period of convalescence from that injury.

Section 7. Jury Duty.

An employee who serves on jury duty shall be granted the day or days necessary as stipulated by the court to fulfill this responsibility without any

salary deduction or loss of leave allowance. The compensation received for jury duty service shall be remitted to the School District, less the mileage per diem and other expenses as regulated by State guidelines. To qualify for this payment, the employee must return to his/her regular duties upon being dismissed from jury duty.

Section 8. Military Leave. Military leave shall be granted pursuant to applicable law.

Section 9. Emergency Leave. This leave is only available in situations when all other applicable leave has been exhausted.

Subd. 3. In order to make use of an emergency leave, an employee shall be required to specify the reason for use of emergency leave, using the emergency leave form.

Subd. 4. The granting of emergency leave is solely at the discretion of the administration.

Section 2. Application for Vacancies. All employees may submit application for any vacancy which is posted pursuant to this Article. Probationary

employees in good standing, at the School District's discretion and not specifically hired for a weekend shift position, would also have the opportunity to apply for newly posted positions and vacancies. For lateral positions, employees may submit an application and be awarded a new position no more than once every six (6) months. In extenuating circumstances, the supervisor of buildings and grounds may waive the six month requirement. Section 5. Extra Responsibility Differential Positions (Head Engineer, Night Lead, Lead Grounds Worker, Custodian/Maintenance over 200,000 square feet)

Subd. 1. In filling the positions of Head Engineer, Night Lead, Lead Grounds Worker and Custodian/Maintenance over 200,000 square feet, the position shall be filled by the District with the most qualified internal or external candidate. In making its determination to award the position, the School District shall consider the applicants' qualifications, aptitude for the position, as well as the applicants' length

of service with the School District, along with other relevant factors. Final decisions for employment will be made by the District.

Section 6. Outside Applicants. The School District reserves the right to fill any position with an outside applicant if internal candidates do not have the needed qualifications for the position or if no internal candidates apply.

Section 7. Administrative Transfers. Seniority and posting shall not apply in an administrative transfer involving permanent employees. Transfers of this nature will be discussed with the exclusive representative prior to final disposition.

Section 8. Probationary Period. An employee under the provisions of this Agreement shall serve a probationary period not to exceed one hundred and twenty (120) working days of continuous service. Subd. 1. For the purpose of benefits only, School District seniority will be from original date of hire in any School District position.

Subd. 2. Bargaining Unit Seniority. Employees shall acquire bargaining unit seniority upon completion of the probationary period as defined in this Agreement. -Upon acquiring bargaining unit seniority, the bargaining unit seniority date shall relate back to the date of original hire in the bargaining unit. If more than one (1) employee is hired at the same time, whoever has the higher last four (4) digits on his/her Social Security number shall have the higher seniority.

Section 3. Lay off Application. An employee on lay off shall retain and continue to accrue his/her seniority. He/she has the right to recall within classification in seniority order for a period of one (1) year after the date of lay off. (See ARTICLE V, Section 4 above.)

Section 1. Employee Discipline.

Subd. 1. A non-probationary employee may be disciplined for cause. The causes for discipline include but are not limited to:

- intoxication or using mood altering chemicals on the job,
- insubordination,
- failure to report to work without proper notification,
- misuse of the leave provisions of this Agreement, and
- violation of any School District policy.

A meeting with the employee and exclusive representative would generally precede employee discipline. The School District reserves the right to suspend or discharge immediately under extreme and unusual circumstances.

Subd. 2. The School District follows the principles of progressive discipline and shall discipline for just cause. The normal progression of discipline for minor offenses shall be as follows:

- verbal warning (documented in file),

Section 1. Eligibility for Severance Pay. Only those employees who were hired prior to July 1, 1992, and have served fifteen (15) continuous years as a custodial or maintenance employee for the School District are eligible for severance pay or early retirement provisions of this contract. Employees hired after July 1, 1992 are not eligible for the provisions of this section.

It is the responsibility of the employee to pay the monthly premium amounts in advance and on such dates as determined by the District/Third Party Administrator. The right to continue participation in such group insurance programs will discontinue upon the failure of the employee to pay the premiums to the District/Third party administrator, or the expiration of insurance availability under the insurance policy provisions. Section 3. Post-Retirement Health Care Savings Plan (HCSP). The School District shall provide an opportunity for employees to participate in a post-retirement health care savings plan as authorized under MS 352.98.

ARTICLE XV - DEFERRED COMPENSATION PLAN

Should these employees participate in the deferred compensation matching program and become eligible for severance pay pursuant to ARTICLE XIV above, the total School District matching contribution will be subtracted from the severance amount. This provision does not include accrued interest which is the property of the employee.

Subd. 2. An eligible employee must notify the payroll office, in writing, of his/her intention to participate in the District's matching program and the amount of the employee's contribution. This notice shall continue from year to year at the specified amount unless the employee notifies the payroll office in writing of any change. Eligible employees may elect to participate in the District's matching program at the time of open enrollment (for the following contract year) or at any time during the eligible contract year.

In computing any period of time prescribed or allowed by procedures in this article, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday, or a legal holiday.

Subd. 4. The filing or service of any notice or document required by this Agreement shall be considered timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

Section 4. Time Limitations and Waiver. A grievance shall not be valid for consideration unless the grievance is submitted in writing to the School District's designee, setting forth the facts and the specific provision(s) of the Agreement allegedly violated and the particular relief sought within twenty (20 days) after the date that the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver of that grievance. Failure to appeal a grievance from one level to another within the time periods provided below shall constitute a waiver of the grievance. An effort shall first be made to resolve an alleged grievance informally between the employee and the School District's designee.

Section 5. Resolution of Grievance. The School District and the exclusive representative shall attempt to resolve all grievances through informal discussions. If this attempt is unsuccessful, the grievance shall move to Level 1 of the Grievance Procedure.

Within ten (10) days after the meeting, the Superintendent or his/her designee shall issue a decision in writing to the parties involved.

Section 6. School Board Review. The School Board reserves the right to review any decision issued under Level I or Level II of this procedure at the request of the grievant or at its own instance provided each party is notified of its intention to review within ten (10) days after a decision in Level I or Level II has been rendered. In the event the School Board reviews a grievance under this Section, the School Board reserves the right to affirm, reverse or modify such decision. A committee or

representative(s) of the School Board may be designated by the School Board to hear the appeal at this level, and report its findings and recommendations to the School Board. The School Board shall then render its decision.

Section 7. Denial of Grievance. Failure by the School Board or its representative to issue a decision within the time period provided in this article shall constitute a denial of the grievance, and the employee may appeal it to the next level.

Section 8. Mediation. (Optional by mutual agreement) The parties may call for mediation of the dispute by a mediator mutually agreed upon from the local office of the Bureau of Mediation Services (BMS). A recommendation for settlement of the dispute by the mediator shall not be final and binding upon either party unless it is mutually agreed.

From this list, each party shall alternately strike one (1) name until one (1) name remains. The last remaining name shall be designated the arbitrator.

Subd. 4. Submission of Grievance Information. Upon appointment of the arbitrator, the appealing party shall, within five (5) days after notice of appointment, forward to the arbitrator, with a copy to the School District, the following:

- the issues involved
- statement of the facts
- position of the grievant
- the written documents relating to Section 5, Article XV of the grievance procedure.

The School District may make a similar submission of information relating to the grievance either before or at the time of the hearing.

Subd. 5. Hearing. The grievance shall be heard by a single arbitrator, and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony and make oral or written arguments relating to the issues before the arbitrator. The proceedings before the arbitrator shall be a hearing denovo.

The parties shall share equally the fees and expenses of the arbitrator, and the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering a copy of the transcript shall pay for such copy.

Subd. 8. Jurisdiction. The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator

The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as contained in this Agreement: nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined in this article; : nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include, but are not limited to such areas of discretion or policy as the functions and programs of the School District, its overall budget, utilization of technology, the organization structure, and selection and directions and number of personnel. In considering any issue in dispute, the arbitrator's order shall give due consideration to the statutory rights and obligations of the Public School Board to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.
