To come and view our Kindergarten classrooms as well as our beautiful campus. Due to Covid, masks are required and we are limiting our visiting families to 3 members total. That could be the student and both parents, or the student, a parent and a sibling, etc. In order to stay within our safety guidelines, this max number of 3 people per family must be followed. Thank you in advance. We will have 15-minute appointment times. You and your family will be able to tour the classrooms as well as visit with the teachers.
