February 10, 2021

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-21 educational progress for the Novi Community School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact the Director of Student Growth and Accountability, Jeff Dinkelmann (248-449-1412) for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site [MI School Data website](#), or you may review a copy in the main office at your child's school. Each school's AER will be posted on our website with this document.

These reports contain the following information:

Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

Students who are passionate, empowered, and prepared for their world and their future.

As a district, we are committed to the success of each student. What every teacher, administrator, and staff member focuses on every day is your child. We want your daughter and son to be successful. We examine our data but we also talk with and listen to your daughter and son. We pledge to continue to use all of the information at our fingertips to focus our efforts so that your child will be successful.

Sincerely,

Steve Matthews, Ed.D.
 Superintendent of Schools
