

Athletic Protocols for Visiting Teams

Harpeth Hall has implemented safety precautions in compliance with the guidelines set forth by the CDC, the Metro Public Health Department, the TSSAA, and our advisory committee. Please review the information below and we appreciate your cooperation in following these guidelines to help keep one another safe at our home sporting events.

ARRIVAL & DEPARTURE

Please do not arrive on campus more than 45 minutes prior to the start of the competition. We ask for teams to leave promptly at the conclusion of the event to help prevent any gathering and to help reduce the risk of spreading the virus.

PRE-GAME REQUIREMENTS & SCREENING PROCEDURES

The visiting team must submit a roster of all traveling members (coaches, players, managers, etc.) prior to game day. This will be used for pre-game attendance and screening.

Please have a face mask on before entering the venue. All players, coaches, and team staff will be required to wear a face mask at all times while on campus, answer the COVID-19 screening questions, and complete a temperature check. Team members will not be allowed to enter athletic facilities with a temperature above 100.4, if they have had COVID-19 related symptoms within the last 7 days, or have been in close contact with someone who has tested positive for COVID-19 in the last 14 days or 24 days if that person lives in your household.

COOLERS & CONCESSIONS

Harpeth Hall will not be providing coolers for the visiting team. Visiting teams will need to be responsible for bringing their own cooler and water bottles for competitions. We are also unable to offer concessions at this time and our water fountains are closed.

TEAM BENCHES

Team seating will be pre-designated and arranged to promote physical distancing. Please do not move the chairs or benches. All team members and coaches must have a face mask on at all times when not playing.

SCORE TABLE

To ensure adequate social distancing at the score table, the visiting team score keeper will be seated behind or near the table.

LOCKER ROOMS & RESTROOMS

Locker rooms will remain closed at this time. We will provide space for teams to meet at halftime. Restrooms will have limited capacity.

ATHLETIC TRAINING

Please have all players taped prior to team arrival. Kathryn Spear, Harpeth Hall's Athletic Trainer, will be available for any on campus injuries. If there are taping needs upon arrival, please have your athletic trainer communicate with Kathryn prior to the game. She can be reached at athletictrainer@harpethhall.org.

LIVE STREAMING & GUEST WIFI

All home games will be live streamed at HarpethHall.Live. Our HH Guest Wifi password is honeybearsrock.
