

Dear Friends of Calverton,

“We wish you could be here...” Haven’t we all heard that so many times as we head in to a second year of the pandemic? However, Calverton is still here. We have continued to educate and prepare our students to succeed.

What makes Calverton, Calverton? Our community has influenced numerous people throughout Maryland and beyond for the last fifty-three years. Our teachers, staff, students, alumni, and parents make our school an amazing place, whether in person or online.

Fostering a culture of respect, high expectations, and shared experiences is the mission of The Calverton School. We instill in our students an intellectual curiosity, personal responsibility, and a strong work ethic to prepare them for higher education and responsible citizenship in a democratic and global community. Our annual auction raises critical funds for educational programs, facilities enhancement, and other new projects. This event is Calverton’s most important fundraising opportunity.

Get involved by:

- **Becoming a sponsor**
- **Donating an item or service to the auction**
- **Volunteer**

This year 2021 may not be our year to gather together in person but I encourage each of you to remember “Why Calverton?” We need your support. To participate, please complete the appropriate forms and return as soon as you can. Your prompt response will ensure that all items/donations/advertisements are included in the online event on April 24<sup>th</sup>, 2021. The Calverton School is a 501(c)(3) non-profit organization, and all donations are tax-deductible to the full extent of the law. (ID # 52-0853724)

Calverton does not stop for Covid, we get through it together, even if apart.

With appreciation,

Beth Prout Lennon
