## Summer PULSE

**Entering grades 5-8**

THE PULSE is designed to meet the needs of middle school students as they grow into responsible teens. At times, young people will be outside of the direct supervision of adults with clear expectations about appropriate boundaries and rules. This will apply to certain times on site as well as field trips throughout the summer. Abuse of rules, check-in times, and set parameters will result in loss of privileges. Attention to the needs of young teens and pre-teens will be given and, at times, different age groups will have different boundaries in terms of supervision.

Participants of THE PULSE may have the opportunity to go on field trips throughout the summer. A schedule will be available as soon as we know more about what COVID guidelines allow. In addition to the scheduled trips, THE PULSE may add impromptu trips as decided by the participants. A bus may be available daily. Ideas will be generated by participants and could include an afternoon movie on rainy days, trips to Dairy Queen, local parks, etc.

*THE PULSE families pick their days of attendance for the summer; calendar due by 4/15. Because of this, there are no allotted vacation requests after 4/15.*

**Pioneer Ridge**
