

Stillwater School Board
Finance Operations Meeting
Notes
March 2, 2021

Present: Matt Onken, Alison Sherman, Liz Weisberg, Malinda Lansfeldt, Mark Drommerhausen, John Thein

- Replacement for two type 3 vehicles, one for special education and the other was for general education use. Type 3 vehicles are for passenger purposes, to Chevrolet Tahoe's.
 - Currently 2 Chevy Tahoe's that the district maintains and operates.
 - One is used for transportation in SPED and one in general transportation
 - These were both 2009 models and they have a 12 year life span
 - These will remain in the district and move to the grounds crew
 - Talked to different Fleet dealers with State Contracts, Stillwater Motors and Roseville Chevy
 - They came with the same price
 - The Chevy Tahoe LS - bench seating across - basic Tahoe with seating for 7 and four doors
 - The Chevy Tahoe LST - bucket seating for SPED request
 - The first would come from General Budget \$44087
 - The second would come from the SPED Budget \$49351
 - These items will be in the consent agenda for the March 11th meeting
