

Felsted Sport at School

Felsted Sport at Home for the majority of pupils will end this weekend and we will return to the in school programme highlighted below. We only have one Saturday until the end of term in the programme and we will be having a house competition day. Those pupils still working remotely will be added to a Felsted at Home classroom for the remainder of the term to keep the challenges going for them.

If pupils have concerns about their sport then they can speak with their HM and we can resolve any issues from that point. We will be following the guidelines of the November lockdown and so we still have several protocols to adhere to across all the outdoor and indoor sports. The pupils have become very good adhering to these and we hope as the academic year progresses we can see some changes in a positive direction.

Pupils timetables will show their sports for the first games sessions on 9th March 2021.
