

Executive Summary School Accountability Report Card, 2011–12

For Twelve Bridges Middle

Address:	770 Westview Dr., Lincoln, CA, 95648-7823	Phone:	(916) 434-5270
Principal:	Stacey Brown, Principal	Grade Span:	6-8

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of information related to individual public schools. Most data presented in this report are reported for the 2011–12 school year. School finances and school completion data are reported for the 2010–11 school year. Contact information, facilities, curriculum and instructional materials, and select teacher data are reported for the 2012–13 school year. For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

About This School

The administration and staff focus is academic excellence and social development. Students are challenged academically and given various opportunities to grow socially. Middle school is the bridge between self contained elementary classes and a high school schedule. Our sixth grade consists of two person teams typically divided into a class for Language Arts and History and a second teacher for Math and Science. This team concept allows for an easy transition from elementary to middle school. We prepare our seventh and eighth grade students by offering a period schedule in preparation for a high school style schedule. Not only are the students challenged academically, we provide wonderful co-curricular and extra-curricular programs. Through thoughtful articulation with our elementary and high school partners our students are well prepared to continue their academic excellence.

School Accountability Report Card

Reported Using Data from the 2011–12 School Year

Published During 2012–13

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

Ed-Data Partnership Web Site

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dg.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2011–12)

The staff at Twelve Bridges Middle School, in cooperation with the students, parents and community will provide students with a safe and supportive learning environment in which to foster a culture of academic excellence and discipline. Our goal is for our students to not only become responsible and well rounded individuals, but also to become productive citizens.

Opportunities for Parental Involvement (School Year 2011–12)

Parent involvement is a fundamental part of our success. The community and parents are kept informed through a number of methods. Our school web site, newsletter, on-line home work hotline and telephone announcement system keep the community up to date on school events and activities. Parents are an integral part of school activities being involved in such events as awards celebrations, dances and teaching in the Robotics or Astronomy programs. Parents and community members are an important part of our academic success. We encourage participation in our Parent Teacher Club; they are invaluable in fundraising and hands-on support for practically every extra-curricular program at TBMS. Academic excellence is monitored and evaluated by our Site Based Leadership Team. SBLT analyzes testing and data and provides recommendations for student success.

III. School Climate

School Safety Plan (School Year 2011–12)

The TBMS School Safety Plan includes a Crisis Response Plan, monthly fire drills, semiannual lockdown drills and annual evacuation drills. The plan includes detailed roles and responsibilities for all staff members in an emergency on campus. The fire drills maintain student and staff familiarity with classroom evacuation, while the evacuation drill allows us to practice removing all students from campus in an orderly manner. We conduct lockdown drills for maintaining a safe campus if an emergency requires all staff and students to be locked inside. We always operate with locked classrooms for safety and have a strong working relationship with the Lincoln Police Department.

Two separate lunch periods are monitored by four noon-duty aides to assist in the lunch time supervision. Teachers have duty stations before and after school for added school safety. We have a closed campus, visitors must enter through the main office and sign in and students are not allowed off campus during the school day.

Suspensions and Expulsions

Rate*	School 2009–10	School 2010–11	School 2011–12	District 2009–10	District 2010–11	District 2011–12
Suspensions	.16	.19	8.7	975	690	748
Expulsions	.001	.002	.5	15	4	8

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment.

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2012–13)

Twelve Bridges Middle School is in very good condition. No planned improvements for the school year.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* *Total Teacher Misassignments* includes the number of *Misassignments of Teachers of English Learners*.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2011–12)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and

demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>

Location of Classes	Percent of Classes In Core Academic Subjects Taught by Highly Qualified Teachers	Percent of Classes In Core Academic Subjects Not Taught by Highly Qualified Teachers
This School	100%	0
All Schools in District	97%	3%
High-Poverty Schools in District	97%	3%
Low-Poverty Schools in District	0	0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2011–12)

Title	Number of FTE* Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	N/A
Counselor (Social/Behavioral or Career Development)	0

Resource Specialist (non-teaching)	0	
Other	0	

Note: Cells shaded in black do not require data.

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2012–13)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: _____

Core Curriculum Area	Textbooks and instructional materials/year of adoption	From most recent adoption?	Percent students lacking own assigned copy
Reading/Language Arts	Holt Literature & Language Arts 2003 Hampton Brown High Point Intervention/ELD (2003)	YES	0%

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2010–11)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic / Unrestricted)	Average Teacher Salary
School Site	\$7,903	\$1,680	\$6,223	\$63,483
District			\$6,369	\$67,291
Percent Difference – School Site and District			-2%	-6%
State			\$5,455	\$66,336
Percent Difference – School Site and State			14%	-5%

Note: Cells shaded in black do not require data.

Supplemental/Restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. **Basic/unrestricted** expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the *CDE Current Expense of*

Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE *Certificated Salaries & Benefits* Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Types of Services Funded (Fiscal Year 2011–12)

Twelve Bridges Middle School students have the opportunity to participate in a variety of special programs. Special education and intervention support are offered through district and state funding. GATE after-school small group opportunities are available to qualifying students. We offer a full range of elective classes including art, band and high tech classes. Students may also participate in Leadership programs.

Teacher and Administrative Salaries (Fiscal Year 2010–11)

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$34,771	\$40,656
Mid-Range Teacher Salary	\$65,153	\$64,181
Highest Teacher Salary	\$85,676	\$82,486
Average Principal Salary (Elementary)	\$101,800	\$102,165
Average Principal Salary (Middle)	\$105,021	\$108,480
Average Principal Salary (High)	\$116,787	\$117,845
Superintendent Salary	\$158,442	\$181,081
Percent of Budget for Teacher Salaries	43.00%	40.00%
Percent of Budget for Administrative Salaries	6.00%	6.00%

Note: For detailed information on salaries, see the CDE *Certificated Salaries & Benefits* Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at

<http://star.cde.ca.gov>.

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics to compute AYP designations required by the federal ESEA, also known as NCLB.

For detailed information regarding CAHSEE results, see the CDE CAHSEE Web site at <http://cahsee.cde.ca.gov/>.

California Physical Fitness Test Results (School Year 2011–12)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE *PFT* Web page at <http://www.cde.ca.gov/ta/tg/pf/>.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE *API Web page* at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched

“similar schools.” A similar schools rank of 1 means that the school’s academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school’s academic performance is better than at least 90 of the 100 similar schools.

API Rank	2009	2010	2011
Statewide	9	9	9
Similar Schools	10	9	9

Academic Performance Index Growth by Student Group – Three-Year Comparison

Group	Actual API Change 2009–10	Actual API Change 2010–11	Actual API Change 2011–12
All Students at the School	21	4	5

Students with Disabilities			

Note: “N/D” means that no data were available to the CDE or LEA to report. “B” means the school did not have a valid API Base and there is no Growth or target information. “C” means the school had significant demographic changes and there is no Growth or target information.

Academic Performance Index Growth by Student Group – 2012 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2012 Growth API at the school, LEA, and state level.

Group	2012 Growth API

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

For detailed information about AYP, including participation rates and percent proficient results by student group, see the CDE *AYP Web page* at <http://www.cde.ca.gov/ta/ac/ay/>.

Federal Intervention Program (School Year 2012–13)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE *PI Status Determinations Web page*:

<http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

XI. School Completion and Postsecondary Preparation

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work.

For general admissions requirements, please visit the *UC Admissions Information* Web page at <http://www.universityofcalifornia.edu/admissions/>. (Outside source)

California State University

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the *CSU Web page* at <http://www.calstate.edu/admission/admission.shtml>. (Outside source)
