Miss Coyle explained the positives about Fridays including better attendance, better behavior, learning simplified and direct, remediation opportunities, connections with students. Next year will be a five day-in class schedule as determined by the school board. Choices such as online or face to face for students are varied to meet student needs.
- Student report: No Student report
- Mr. Martini – reviews school data and discusses 2021 School Improvement goals which includes;
  1. Increasing passing rates by 20 students in reading and science.
  2. Diverse Learning
  3. SEL

Interventions for diverse learners include 1. cotaught core classes, 2. planning together for individual learners especially SPED. 3. learning how to help SPED students 4. helping reach other students who struggle but do not have an IEP, 5. planning with same PREP time within departments, 6. Friday interventions including face to face with students, 7. Friday Planning sessions, 8. 24/7 access to online assignment and guidance, 9. allowing late work (what you know not when) and 10. Teacher PLC days within departments.

Next years suggested goals:

1. Increase core passing grades
2. Decreasing # of Students credit deficient as they enter High School & overall increase in GPS.
3. SEL – Atmosphere and attitude about school.

This term 6.8 % failing rate compared to 22% earlier 2<sup>nd</sup> Term.

- Budget report: Budget is on schedule - some things cost less than expected and Community Council will decide how to reassign funds with Teachers Grants or needed equipment.
- Parent/Community Concerns
  - Julie Laub from Davis does a quality presentation for trimming down assignments to the essential material. Parent would like to see this presentation brought to the junior high.
- Next meeting: March 9th
