SUPERIOR SOPHOMORES

what we've done so far:

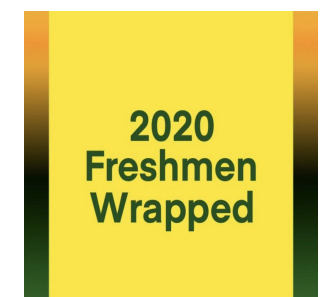

- ran four successful monthly activities -> digitally reached around 300 people per event
- held a dine out with our local Chick-fil-a
- increased participation in our class spirit -> we beat the seniors once in this year's spirit week ;)
- obtained a great relationship with the sophomore class, especially our class council

our future plans:

- maintain planning successful activities, beat the seniors again in spirit week/increase class spirit, and retain our relationship with our class
- since we are in quarantine, we have the time and flexibility to work on a class objective. We want to come together as a class and think of a way we can make a positive impact on our school and community.
