Michael Dodie - Spoke of his concerns on how Western Placer Unified School District is conducting their affairs, and would like to share some solutions. He started with the acceptance that the Twelve Bridges High School must be built, but the district needs to lean on the Architectural firm to shave millions off the construction, and feels the cost should be reviewed. The board should take a vow to not pay developers for property to build schools, we should not have to purchase the property. The issue with the Creekside Oaks Elementary School multi-purpose room must be resolved. He asked to see a project date, and a completion date for the Creekside multi project. He does not want his daughter waiting outside in the bad weather for lunch. He feels the district should work on an agreement with the City to use the Community Center until the multi is built for Creekside. He feels all the old facilities need to be renovated, and also feels Lincoln does not have enough money to build Lincoln Crossing Middle School, so we should renovate Glen Edwards Middle School. He would like to see schedules on the website for the projects we have, and also would like to see where the money is going and coming from. Feels we can get a student to put this information on the website.

Minutes

And she expressed not having the same designers for any of our other schools that are being built. She also brought up the subject of the movies, and asked when this item would appearing on the agenda, and feels it should be added as ongoing agenda item. She talked about substituting in the classroom and feels we need to look at the districts student behavior, and provide some type of parent program for student behavior. She has also substituted in the food service area, and feels the food service employees are trying to locate a place for a central kitchen, and feels it is important that the district fulfill the food service needs in the district.

•Based on the progress of the new joint city hall/district office, the board will be updated on the financial status of the project and agreement with the city.

Scott talked about the city hall/district office joint facilities. The district has 5.6 million from the City for the Community Center, there was no exchange of monies, this was all credits to go towards the new facility. There were questions like what would happen to the old district office facilities, what would happen when the district out grows the 4th floor of the new building. There was also some discussion regarding the community center and the possibility of backing out of the joint city hall/district office building. Yes

MEETING DATE:

January 2, 2007

BACKGROUND:

As reported at a recent meeting, the city has generously offered a joint use agreement for the Lincoln Community Center. The district is appreciative of this offer. It was hoped that this agreement could be folded into a single joint use agreement for all facilities between the district and the city, but is being forwarded at this time for approval as a single agreement.

ADMINISTRATION RECOMMENDATION:

The administration recommends approval of the joint use agreement

6.2

AGREEMENT REGARDING THE JOINT USE OF THE LINCOLN COMMUNITY CENTER

THIS JOINT USE AGREEMENT ("Agreement") is entered into as of the August 8, 2006, by and between the City of Lincoln, a municipal corporation existing under the laws of the State of California ("City"), and the Western Placer Unified School District, a public school district organized and existing under the laws of the State of California ("District"), together herein referred to as "Parties".

RECITALS

WHEREAS, Education Code Section 10900, et seq., authorizes the Parties hereto to enter into written agreements for community recreation programs; and

WHEREAS, the City has purchased the Community Center (the "Facility") from the District located at 2010 First Street, Lincoln, Ca; and

WHEREAS, the City wishes to provide facilities that, in addition to being used for City offices and community purposes, shall be available for use by the District and its students and staff; and

WHEREAS, it is the intent of the Parties to maximize the use of the Community Center by allowing the District to use the Facility when its use has not been scheduled by the City for community use; and

WHEREAS, the Parties wish to enter into this Agreement to provide the terms for the use of the Facility by the Parties; and

WHEREAS, the Parties have determined that joint use of the Facility will maximize its use and be in the best interests of the community;

NOW, THEREFORE, in consideration of the mutual promises and agreements contained herein, the Parties agree as follows:

TERMS

1. **Term of Agreement.** The term of this Agreement shall commence upon execution by both parties and shall remain in effect for 40 years. After the initial 40-year term, the agreement shall automatically renew every (5) years unless either party gives 30 days written notice prior to renewal. City shall have the right to terminate this Agreement without cause upon providing District six months written notice of termination.
2. **Description of Facility.** The Facility owned by the City consists of the Community Center gymnasium, meeting rooms, office, storage, stage, kitchen, parking lot and the adjacent 5 acre lot located at 2110 First Street, Lincoln, CA in the County of Placer, California.

The Facility may also be available for such District uses as scheduled school assemblies, rainy day physical education classes, and scheduled after school athletic events.

4. **Use of Facility.** The City and the District shall share the enjoyment and use of the Facility. The Parties hereby agree to cooperate in coordinating programs and activities conducted at the Facility so as to avoid conflicting or competing uses. To ensure the availability of the Facility on an equitable basis, and based upon the purposes and intentions set forth herein, the following guidelines shall control the scheduling of the Facility:
 - a. **Scheduling Responsibility.** The City shall be solely responsible for scheduling all use of the Facility.
 - b. **Primary Use by City.** The primary use of the Facility will be for the City and City community uses.
 - c. **District Priority.** The District will have priority use of Facility if the Facility is not already scheduled by the City.
 - d. **Scheduling Events.** The District shall submit to the Recreation Department a facility request form (at least 48 hours prior) for use of Facility. Unplanned events, such as rainy day physical education classes will be accommodated as the City's schedule permits.

 - f. **Governance.** Any and all persons using the Facility shall abide by state and federal laws and regulations as well as local City Council policies and administrative regulations.
5. **Operations of Facility.** The City shall be responsible for the day-to-day operations of the Facility. The District shall be responsible for providing staffing, supervision, and security during scheduled school-sponsored activities.
6. **Responsibility for Costs.** The use of the Facility by the District for District sponsored events is without cost (i.e., custodial, utilities or staff time) to the District, except in the case of extra-ordinary clean-up costs, utility costs or damage to the Facility, in which case the District will be responsible for the extra-ordinary costs as determined by the City.
7. **Charges for Facility Use.** Charges for Facility use (non city/school uses) will be determined by the City and billed to the user group. to City and remain the property of City.

8. **Insurance.** The District must provide the City with self-insurance in an amount not less than specified below or insure against damages or injuries which may arise from the activities contemplated by this Agreement by purchasing and maintaining for the term of this Agreement a commercial general liability insurance policy, for bodily injury, personal injury, and property damage, with a single limit of not less than one million dollars (\$1,000,000), which policy shall include or be endorsed to include the City as an additional insured, and requiring thirty (30) days prior written notice of intended cancellation or reduction in coverage. Said insurance shall be insured with an insurance company licensed to do business in California and possessing a Best Insurance Service rating of no less than A:VII. The District agrees to provide evidence of such insurance upon request.
