5. COMMUNICATION FROM THE PUBLIC

David Gordon - Reported on the All American City. Has a personal challenge and commended the board for the time they put in on helping kids. His concerns were on allocating money for schools, and feels the older schools deserve equal allocations. He mentioned schools like Sheridan; First Street; and Coppin. His second concern was he read the Superintendent's "Year End Report" and has some issues with the school population. He also reported it is hard to see the number of new schools equate? His third item was about the Superintendent talking about principals doing all the goods things, his suggestion is take it a step further. "We need to show kids really do matter. "We should assign a staffer that will recognize achievers. He also feels volunteers should be recognized for all the efforts in working with the students.

Norma Williams – Reported she wished the board of trustees was more approachable, doesn't feel the board and community are one. She hopes Scott will change things. Feels we need to create something new. Expressed her opinion on what we can do to raise money and help support the older schools, and is willing to do what ever it takes. Her hope is to see the schools and the community to become one. She also mentioned the new schools have a poor design of the classrooms, and the acoustics are also bad, she has real concerns about these things.

6. REPORTS & COMMUNICATION

6.1 Lincoln High School, Student Advisory – Garrett Snyder – Not present

6.2 Western Placer Teacher's Association – Mike Agrippino – Read the following statement "On behalf of the Western Placer Teachers Association, I would like to thank Mr. Roger Yohe for his years of service to our district as Superintendent. Also, I would like to thank Mr. Jay Stewart for his years of service to our district as Assistant Superintendent of Business Services. Congratulations to Daniela Thompson for being 2006 Western Placer Teacher of the year.

Mr. Board President, tonight the School Board will take action on our new collective bargaining agreement. As mentioned at the June 6th board meeting, this agreement represents many hours of hard work by both bargaining teams. Their hard work has resulted in an agreement, which will assist us all as we endeavor to serve the students of Western Placer. Now that you have had a chance to thoroughly review all the new language and terms, the Teachers Association is confident that you will ratify it this evening. Thank you."

6.3 Western Placer Classified Employee Association – Joe Ross Read the following statement "Thanked Carlin Coppin for hosting the last Board meeting of the 2005-2006 school year.

Next I would like to report that the Classified Bargaining unit stands at 200 members and is growing with the district. I will also report that beginning in August, I will not only be an employee of this district, but will finally be a parent of a student. My daughter Stephanie will be coming to Lincoln High School. She is very excited.

I spoke to Levi this weekend and things aren't going well for Sue. I would like everyone to keep Sue and Levi Williams in their thoughts and prayers. Also, one of our family members at the District Office, Kay Lascar, and her husband Bob, are also going through some very tough times. I would also like you to keep them in your thoughts and prayers.

As usual it's been a while since I've stood here at this podium. And in that while this district gone through many changes. I have not been known to stand up here and voice my opinions, but these are interesting times. In a year where we've seen new schools opening, a middle school being built, other schools on the verge of closing down, the loss of our Superintendent, and the district office changed forever, the one thing that this district needs is some stability. Fortunately we have hired a leader in Scott Leaman who I believe to be an excellent choice for Superintendent. I believe that Mr. Leaman not only possesses the skills and leadership abilities necessary to get this District back on track, but also the character and integrity needed to make good decisions in the midst of all the

changes. I am quite certain, however, that he will not be able to do this alone. I would like to call on all administrators, principals, classified management, and every other leader in this district to rally around Scott. Let's do our best, at least in this time of transition, to handle as much and possible on-site, and to show patience and discipline while this train gets back on track. I have personally witnessed confidential and classified personnel in the District Office literally pull their hair out while trying to keep things running. I would like to take this opportunity to commend all of the staff at the district office for the incredible jobs that they do, not only in keeping the district office running, but in keeping their sanity in the process.

I believe that as we restructure our District Office, we should take a serious look at adding some administrative assistants to help with the load. In a growing district there will always be new work to be done. We need not only look at next year, but the next 5 years, 10 years, and beyond. So, in the midst of all that has gone on, and with so much work yet to be done, it is perplexing to me that the one person who could always be counted on to stop up and wear several hats when necessary, has been stolen away from us by another district. Jay Stewart has always been a cornerstone to the Western Placer School District. From the clutches of a qualified budget, or his skills in the facilities arena, to his abilities at the negotiation table, I honestly do not believe that anyone here truly understand s all that Jay does, or has done for our district. In addition to his pride in work, I believe that Jay truly cares about this district. In his last weeks before leaving, in a time where others may have resorted to vacation or sick time, he has been here into the night, for several days, just to finish his job here before moving on. My friends, that is integrity. This isn't anything new for Jay. We have seen it time and time again. And this is why I speak now on behalf of all Classified employees, when I say that we are profoundly disappointed to see him leave. The work that Jay has done with the classified bargaining unit has not only been fair and equitable, but has been a true inspiration to many of us. He always seemed genuinely interested in the concerns of the classified. His open door policy and general approachability has always been appreciated. So as a token of that appreciation, we would like to make a presentation to Jay." At this time Joe Ross along with his CSEA Executive Board presented Jay with a plaque.

6.4 Superintendent – Roger was on vacation so Scott spoke on his behalf. Scott gave a brief presentation in honor of Jay Stewart. Bob and Scott also awarded him with a plaque. The Board President also shared some words.

4. COMMUNICATION FROM THE PUBLIC

Megen Curry - Science teacher at Foskett Ranch reported she applied for a grant, and will receive it on July 10th in Hollywood at Universal Studios. The grant is in the amount of $10,000.00 and had to be written on Solar Energy. Each grade level will have different projects. She was very excited and wanted to share with the board.

Jim Houck – Asked about the part time principal position at Sheridan School. Roger reported that had not been confirmed yet, and a decision will be made in the next two weeks. Jim reported he felt the position should not be eliminated, and questioned the reason of not having a principal at the Sheridan site. He reported the community feels it would not be a good idea to just having a lead teacher in this position. They also feel it's important to have a halftime principal.

3.121

Rich Henry – Talked about his son informing them that they had watched "An Officer and a Gentlemen", at GEMS. He feels we need a policy on what should be shown in classroom.

5. REPORTS & COMMUNICATION

5.1 Lincoln High School, Student Advisory – Garrett Snyder – Not present

5.2 Western Placer Teacher's Association – Mike Agrippino read the following statement: This evening I am happy to report that the Teachers Association ratified the new salary proposal and contract by an overwhelming vote of 207 yes to 11 no. This is a very positive affirmation of hard work done by both bargaining teams. It was not an easy road to get to this point. At times there was conflict, but the conflict has brought growth. Growth has brought understanding. And now our district is stronger than it was before, and better able to serve the students of Western Placer.

The Association worked very hard to inform members about the new agreement and to hold a ratification vote in time for you to conduct your final consideration at this evening's meeting. It was anticipated that the teachers of our district would be able to start summer break with the knowledge that a new contract was in place. With this in mind the Association is confident that the Board will approve the agreement at the June 20th board meeting.

5.3 Western Placer Classified Employee Association – Joe Ross – Not present

5.4 Superintendent – Roger Yohe reported there was an 8 to 0 vote on the approval of the transfer of Ophir and Loomis boundaries. There are 3 new scheduled hearings on the petitions for the Newcastle district, one will be held on July 6th at Lincoln High School, and additional hearings will be held in Loomis and Ophir. Mr. Sonnenburg thanked Glen Vineyard on how he handled the last meeting, it was great format and the process was good. Glen shared information on small district changes in Placer County. Roger shared that HIS has changed their name from Horizon Instructional Systems to Horizon Charter School. Roger also reported that Wildlands, will be out on the farm doing the surveying of 60 acres, and they will take care of all the paperwork. This will probably take about 6 months. Roger handed out the End of Year Report and reviewed a couple of sections of the report with board of trustees. The board of trustees commented it was a great report.

5.5 Assistant Superintendent(s)

5.5.1 Jay M. Stewart

a. Budget Update: No report

b. Facilities Update:

5.5.2 Scott Leaman

Program Focus Area: *Summer School* – Mr. Leaman reported that Summer School would start on June 13th and run 6 weeks.

3.1.22

Elementary will be run at Foskett Ranch, Glen Edwards for middle school and Lincoln High for upper grade students.

5.5.3 Bob Noyes, Personnel Director – Mr. Noyes reported there was a lot of hard work between the bargaining committees to finalize the agreement. Western Placer Unified School District bargaining team will review Teacher Agreement articles next week, and that information will be brought to the board for review. He also reported the district has about 13 applicants for the position of Director of Site Facilities. He also shared we're still in the hiring process, we need 7 teachers and have already hired 25 certificated staff and we're also looking for special education staff.

6.7 (I/D) **DISCUSSION OF BP/AR 6161.11 (SUPPLEMENTAL MATERIALS AND FILM POLICY) – Leaman** *(05-06 G & O Component I-II)*

•Based on Board request, a discussion will be facilitated concerning the parameters of film use in the classroom as it relates to our current board policies.

Mr. Leaman reported the Movie policy has been brought back for review and has done some research in surrounding districts of the movie policy. He feels we should delete BP 6144.2.1, and feels we should work on the BP 6161.11, and looking at possibly adopting a new AR on 6161.11 which looks at a criteria for films. He reported he would draft a policy with concerns that the board have. The AR will include the section of supplementary instructional. materials. Another concern the board had was books being read in class. Mr. Long shared he feels that the movies that are shown should have lesson plans to go with the movie, he also feels we should band "R" and "PG" movies until we get this policy worked out. Mr. Leaman said we need input from the teachers, and

community. He reported he would continue to work on the policy and bring it back for the next board meeting

RE: Elimination of positions

The following two positions will require elimination starting the 2006/2007 school year. Justification is as follows:

1. SES Site Cashier (2.0 hours) 20?203
   Currently held by Heather Willoughby who has accepted the position of Sheridan Food Service Lead starting the 2006/2007 school year. In consideration of Sheridan becoming a smaller school next year serving between 50 and 75 students, the lead will be able to serve and cashier on the same serving line.
   This eliminates 2.0 hours.

BOARD OF TRUSTEE MEETING
FACT SHEET

SUBJECT:
Discussion of BP/AR 6161.11
(Supplemental Materials and Film Policy)

AGENDA ITEM AREA:
Information/Discussion

REQUESTED BY:
Scott Leaman,
Superintendent

ENCLOSURES:
Yes

MEETING DATE:
August 1, 2006

BACKGROUND:

Based on Board request, a discussion will be facilitated concerning the parameters of film use in the classroom as it relates to our current board policies. This session will start with the section labeled, "Approval Thresholds."

SUPERINTENDENT'S RECOMMENDATION:
The administration recommends board discussion of the item.

6.3

Board Policy 6161.11

"The film and supplementary materials policy"

Outline

This outline contains material to aid in the discussion of film use in Western Placer Unified School District. There are currently four board policies governing the use of film in the district (attached):

- BP 6144.2.1 - Audio-Visual materials policy updated 2/6/90
- BP/AR 6161.1 - Selection and Evaluation of Instructional Materials updated during the 1994/95 school year
- BP/AR 6161.11 - Supplementary Instructional Materials policy updated during the 1994/95 school year
- BP/AR 1312.2 - Complaints Concerning Instructional Materials policy updated during the 1994/95 school year

It appears BP 6144.2.1 should have been deleted when the policy review was completed in 1995 because BP 6144.2.1 and AR 6161.11 contain the same exact language. Based on this fact, the following options are included based on modification of AR 6161.11 after deleting BP 6144.2.1.

After evaluating surrounding district film board policies and the information presented to the Board, the following areas are being forwarded to the Board as options for amending AR 6161.11, referred to as AR below:

Goal of Film Use

Most policies contain a short introduction about the use of film in the classroom

1. Current Policy

a) Our current policy (BP 6161.11) "encourages the use of supplementary materials which are relevant to curriculum objectives and compatible with district goals." This goal could be restated in the AR by including the first paragraph from the BP language.

Options

b) Other language selected by the Board

Previewing

All policies speak to previewing the material

2. Current Policy

a) Current policy states that the teacher must preview the materials

Options

c) Administrator previews materials

Selection of Materials

Most board policies speak to a criterion for selection of the film

3. Current Policy

a) Current policy refers to BP 6161.1 for selection of materials, which are the same as adoption of materials

Options

b) Use teacher/administrator/alternate criteria for selecting the materials

Approval Thresholds

Policies establish thresholds that require additional action

Current Policy

a) Current policy states that parental permission must be obtained for any film with a rating other that "G."

Options

Non-rated films (see also non-rated versions feature length films)

b) Used at any grade level without parental permission

c) Used with parental permission

Non-rated versions of feature length films

d) Treat as "R" rated films

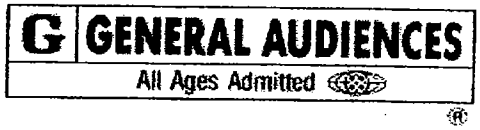

e) Disallow

Educationally edited films

f) Treat as "PG" films

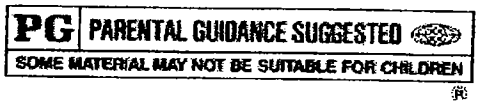

g) Used with parental permission

G rated films (General Audiences)

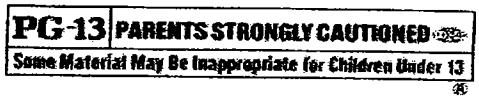

h) Used at any grade level without parental permission

PG rated films (Parental Guidance Suggested)

i) Prior parental permission required for students in grades K-8

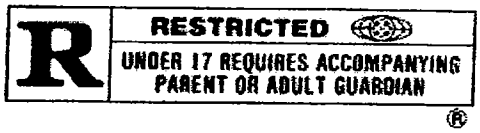

PG-13 rated films (Parents Strongly Cautioned)

j) Prior parental permission required for students in grades K-8

k) Parents in grades 9-12 must receive prior notification

R rated films (Restricted)

l) Not shown K-12

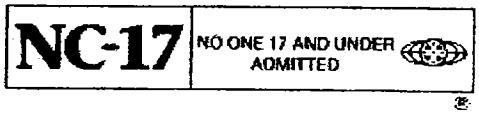

m) Not shown K-8. In grades 9-12, not shown in their entirety, with the option of showing portions that support classroom instruction with prior parental permission

n) Not shown K-8. Prior parental permission required for students in grades 9-12

o) Shown with parental permission

p) Shown with Board approval only and prior parental permission

NC-17 rated films (No one under 17)

q) Not allowed

Parental Permission Mode

Policies state whether permission will be required, positive, or negative

Current Policy

a) Our current permission system is in the "positive" mode, which means each student must return a permission slip to view the film.

Options

b) The negative mode would mean only students that turn in a parental request not to see the film would be excluded.

Curriculum Support

Policies typically include documentation to support use of the film

Current Policy

a) Our policy currently states that the teacher is to use professional judgment based on the criteria in BP 6161.1 for movies above a "G" rating. If the teacher has a concern, they are to confer with the principal and include their rationale in the lesson plans.

Options

b) Some board policies are similar to the above, but state the teacher needs approval of the site administrator.

c) Our board policy states that rational is deemed ongoing.

Student Exclusion

Policies typically allow for student exclusion from the film with the assignment of like curriculum

Current Policy

a) Our BP 1312.2 states that student will be assigned alternate materials of equal merit.

Options

b) Some policies state that the alternate material must be completed in a place outside the setting where the film is being shown

c) Some policies state that the alternate assignment must be similar in content and must be able to be completed in a reasonable time.

Complaints

Most districts have a policy on instructional material complaints

Current Policy

a) BP 1312.2 manages complaints

Options

b) BP 1312.2 is similar to most policies in the surrounding area

WESTERN PLACER UNIFIED SCHOOL DISTRICT

INSTRUCTION

Supplementary Instructional Materials

The Governing Board encourages teachers to use supplementary instructional materials which are relevant to curriculum objectives and compatible with district goals and objectives. By using such materials, teachers can introduce content and instructional strategies that enrich the curriculum, enhance learning, help students make critical judgments, and stimulate their intellectual growth.

Teachers shall carefully preview all supplementary instructional materials in order to ensure that, in their professional judgment, the materials are:

1. Directly related to the course of study in which they are being used.

2. Appropriate for students' ages and maturity levels.

Supplementary instructional materials must also be consistent with criteria developed for the selection and evaluation of other instructional materials. If the teacher believes that the materials may be in conflict with district criteria, the teacher shall confer with the principal or designee before using them.

Dear Mr. Leaman:

Effective July 1, 2006, please accept this letter of resignation from my Area 3 Trustee position. The last year and a half has been a positive experience serving our community as a Trustee on the Western Placer Unified School Board. In just under two years, much has been accomplished making our district an even better place for students to learn and grow.

My family and I have made the difficult decision to return to Southern California so that we can be closer to our family. I regret that I must discontinue my service on the Board, however I trust that Western Placer's future will be bright.

Best wishes to you in the future. If I can ever be of service to you, please feel free to contact me.

Best regards,

Melanie Eustice
