6.5.1 Jay M. Stewart

a. Budget Update: Mr. Stewart handed out a budget projection on the 2005-06 school year. Numbers are still in the works. He has worked on putting back the budget cuts from last year, and explained the cost. He reviewed the report hand out to the board and audience. Talked about the importance of influencing parents at keeping their children in neighborhood schools for budgeting purposes, in some cases this may cause in house transfer of teachers. Mr. Long asked about bringing back the woodleaf stipends for next year. There are about 250 students from Glen Edwards Middle school who attend woodleaf. Mrs. Eustice asked about Kindergarten class size, and would like to see 2 teachers per classroom. Mr. McLeod questioned deferred maintenance and if we plan to eliminate it again next year. Mr. Stewart reported we would have to send a letter to the State of California explaining why we don't have the money to match. Mr. Mentze asked if we have plans to bring back the deferred maintenance in order to keep our schools maintained. Mr. Stewart explained that we do have a healthy deferred maintenance budget at this time, but do have work that needs to be done. Our plan is to rebuild the reserve this year and next year. We do not have salary increases budgeted in the 05/06 budget at this time. Certificated is waiting until late August to propose any salary negotiations, classified has a proposal on the table at this time, and there is still administration and management to be considered. Mr. Stewart reported that we plan on adopting the budget during the 2nd meeting in June. Mr. Mentze questioned the Principal position at Sheridan School, and what the cost would be to reinstate. He informed the board his thoughts would be to not reinstate a full time principal, but to move the 6-8th grade student to Glen Edwards Middle School, but ask that this be put on the next agenda for discussion. His concern if for the

Sheridan Students and that they have the same opportunities as a large middle school. Which is also important for the students in their social and lifetime development. Mr. Sonnenburg felt it would be best if this was discussed during a June meeting. Mr. Yohe felt there are things we need to resolve prior to the end of the school year in reference to transfer the 6-8th grade students from Sheridan to Glen Edwards. We would need to meet with Sheridan parents and let them know about the changes that are being looked at. Mr. Sonnenburg felt we should use the same format as was used for housing the sixth graders at Twelve Bridges Elementary. There was some discussion about having a board meeting at Sheridan. Mr. McLeod felt it would take more than 1 meeting to finalize the transfer. Mr. Yohe also reminded the board that we will have another middle school opening in a couple of years.

Mrs. Eustice shared her thoughts on behalf of having a half-time administrator at Sheridan. Mr. McLeod asked to look at the price of a full time administrator at Sheridan. The board gave Mr. Yohe direction to look into removing 6-8th grade students from Sheridan, and budgeting administration. This will be on the June 7th board meeting agenda. Mr. Long requested to prioritize the budget suspended stipends, but adding Woodleaf to the agenda tonight because it is a time sensitive item. Mrs. Eustice felt we should have reviewed budget suspensions sooner, before making any final decisions. Mr. Stewart requested the importance of having a Special Board Meeting on Tuesday, May 24th.

b. Facilities Update:

6.5.2 Scott Leaman

a. Program Focus Area: *Curriculum Based Measurement* – Mr. Leaman reported on the CBM (Curriculum Based Measurement) Students from grades 1st-5th. Students are tested three times per school year, the testing is very helpful in tracking where students are academically. Teachers are able to retrieve this information on the Aimsweb site.

6.5.3 Bob Noyes, Personnel Director – No report

7.1 (D/A) WOODLEAF CONTRACT FOR 2005-06 SCHOOL YEAR – Stewart *(04/05 G & O components V-VI)*

This item was added during tonight's meeting because of time constraints, in order to not lose our contract with the Woodleaf

Sheridan Students and that they have the same opportunities as a large middle school. Which is also important for the students in their social and lifetime development. Mr. Sonnenburg felt it would be best if this was discussed during a June meeting. Unfortunately, word has come back to teachers that parents believed they were making a choice about start and stop days for the 2005-2006 school year. Beginning and ending days of a school year are negotiated with the Western Placer Teachers Association. We have surveyed our teachers and a majority of them favored a start day of August 15, 2005, with the first student day being August 17, and an end date of June 9, 2006".*

7. PUBLIC HEARING

7.1 HORIZON INSTRUCTION SYSTEM IS REQUESTING AN OUT OF COUNTY LEARNING CENTER – Roger Yohe

Horizon Instructional Services seeks this waiver to continue to provide special education services in 2 sites outside the authorizing county, and to provide its special education students FAPE. Approval of this waiver allows HIS to continue to provide appropriate special education services to its students at sites near their homes. This will allow continuity of instruction, which is very important for special education students. If this waiver is not approved, services for special educations students provided by HIS will be severely limited, resulting in a denial of FAPE to its students.

No public comment was made.

8.1 (D/A) HORIZON INSTRUCTIONAL SERVICES IS REQUESTING AN OUT OF COUNTY LEARNING CENTER – Yohe *(04/05 G & O Components V-IV)*

Horizon Instructional Services seeks this waiver to continue to provide special education services in 2 sites outside the authorizing county, and to provide its special education students FAPE. Approval of this waiver allows HIS to continue to provide appropriate special education services to its students at sites near their homes. This will allow continuity of instruction, which is very important for special education students.

Mr. Yohe introduced Mrs. LuAnn Boone, HIS Executive Director, and Mr. Larry Gimbel, Director of Special Education. Mrs. Boone talked about the importance of the waiver for the out of county learning center. This will help Elk Grove, and Placerville areas. This will then be submitted to the State board in July. This waiver will involve about 64 students in the Elk Grove and Placerville areas. HIS has 50% of students from Sacramento area.

A motion by Mr. Long, seconded by Mentze, and passed by unanimous vote to approve the waiver need for the out of County Learning Center.

3.1.11

8.2 (D/A) **APPROVE RESOLUTION 04/05.31 AUTHORIZING DESIGNATED PERSONNEL SIGN CHILD DEVELOPMENT CONTRACTS – Stewart** *(04/05 G & O Components I-IV)*
The attached resolution designates personnel to sign child development contracts between the Western Placer Unified School District and the State of California. This resolution is necessary in order to receive $21,300 for renovation and repair of the District's preschool facilities.

A motion by Mr. Mentze, seconded by Mr. McLeod, and passed by unanimous roll call vote.

8.3 (D/A) **APPROVE RESOLUTION 04/05.33 SCA 8 ALLOWING LOCAL SCHOOL DISTRICTS TO APPROVE A LOCAL PARCEL TAX WITH A 55 PERCENT MAJORITY RATHER THAN THE TWO-THIRDS MAJORITY CURRENTLY REQUIRED – Yohe** *(04/05 G & O Components V-IV)*
SCA 8 allows local school districts to approve a local parcel tax with a 55 percent majority rather than the two-thirds majority currently required. By lowering the threshold, more school districts will be able to successfully pass a local parcel tax, which will help them raise the money they need to maintain a quality education. SCA 8 still requires a supermajority in passing a tax.

Mrs. Eustice presented letters from Senator Sam Aanestad, and Jon Coupal, Presidnet of the Howard Jarvis Taxpayers Association to the board of trustees in regards to opposing the Senate Constitutional Amendment 8. After a lengthy and personal comment from board of trustees, it was the consensus of the board to not bring this resolution back for further discussion. Mr. Sonnenburg felt this is a very fair and just proposal and strongly supports this resolution. No action was taken.

8.4 (D/A) **APPROVE RESOLUTION 04/05.34 AUTHORIZING THE TRANSFER OF THE VALLEY VIEW SCHOOL SITE TO THE THERMALANDS COMMUNITY CENTER – Stewart** *(04/05 G & O Components V-IV)*
The attached resolution authorizes the transfer of the Valley View School site to the Thermalands Community Center.

Mr. Stewart reported on the condition of the property. It's not worth upkeep for schooling purposes, which would include maintaining the well, sewer, and propane tanks. The building would need to be condemned because of the liability. Valley View

would like to take it over. The district has no need for this facility, and will no longer carry the liability on this facility.

After some discussion a motion by Mr. McLeod, seconded by Mr. Long, and passed by unanimous roll call vote authorizing the transfer of Valley View to the Thermaland Community Center after the indemnification agreement is received by Western Placer Unified School District.

Earl Mentze: Talked about the several steps of faith to see the completion of the stadium, and commented on the dedication and how delighted he was on how much has been accomplished. He also talked about an Academic Rally at Glen Edwards Middle School he attended which involved staff, students and parents, it was incredible and he was very impressed. Melanie Eustice: Felt that the issue at Sheridan warranted more discussion.
James McLeod: Also felt the stadium dedication was great. He thanked the Grey's, Wyatt's, Santini's, and Joiner's for their donations.

Mr. Robert Noyes

May 19, 2005

Dear Mr. Noyes:

I am writing this letter to officially request maternity and child rearing leave for part of the upcoming school year. I currently teach First Grade SEI at First Street School. My doctor has recommended that I start full-time disability four weeks before my due date of August 25, 2005 and that I remain on disability for eight weeks after delivery of the baby. In addition, I am requesting a six month child rearing leave, which would allow me to return to work April 21, 2006.

I truly enjoy working for Western Placer USD and am dedicated to the students we serve. As a result I have discussed my leave at length with my Principal and we have planned for the time I will be absent from the classroom. We are working together to find a qualified long-term substitute.

I appreciate your consideration of my request and look forward to this upcoming school year.

Cordially,

Cristin Herrera

May 10, 2005

Dear County and District Superintendents, Charter School Administrators, and Directors of the English Language Acquisition Program:

FUNDING ANNOUNCEMENT
ENGLISH LANGUAGE ACQUISITION PROGRAM

This letter is to invite local educational agencies (LEAs) to apply for English Language Acquisition Program (ELAP) funds. All LEAs must apply for ELAP funds on an annual basis. Consequently, LEAs funded previously must reapply for 2005-06. Any LEA that wishes to participate must submit the enclosed English Language Acquisition Program Application for Funding, Fiscal Year 2005-06, by July 15, 2005.

The ELAP is authorized by California *Education Code* sections 400-410, enacted by Assembly Bill 1116 (Chapter 71, Statutes of 1999). Its purpose is to improve the English proficiency of English learners and to prepare them to meet the state's academic content and performance standards. Any school district, county office of education, or charter school that enrolled one or more English learners in grades four to eight, inclusive, in the previous school year is eligible to apply for funds. Eligibility is based on the March 2005 Language Census (R30-LC).

The State Superintendent of Public Instruction is required to allocate to each participating LEA one hundred dollars annually for each pupil enrolled in any of grades four to eight, inclusive, and identified as an English learner. This program is subject to funds being appropriated in the annual Budget Act.

LEAs choosing to apply for funds must certify that they:

1. Conduct academic assessments of English learners to ensure their appropriate placement. These include initial assessment of English proficiency, and ongoing assessment conducted at least annually. Assessment measures shall include, but are not limited to, the state Standardized Testing and Reporting (STAR) Program and the California English Language Development Test (CELDT).

2. Provide a program of English language development (ELD) instruction to assist pupils in progressing upward through the proficiency levels established by the ELD standards adopted by the State Board of Education. The program shall include structured immersion instruction to ensure access by English learners to the core curriculum.

3. Provide supplemental instruction for English learners, such as intersession, before- and after-school programs, or summer school instruction. These activities are to supplement the regular school program and may include newcomer centers, tutorial support, mentors, or any other program that meets the objectives of the ELAP.

4. Coordinate services and funding sources for English learners, including community-based English tutoring, at-risk youth, after-school, intersession, summer school, and reading programs established pursuant to Chapter 16 (commencing with Section 53025) of Part 28 of the *Education Code,* and any available federal funds.

New for 2005-06 is the elimination of the student data portion of the application form. The California Department of Education (CDE) will obtain the data directly from CDE databases. The number of eligible English learners will be taken from the March 2005 Language Census (R30-LC), and school enrollment from the October 2004 California Basic Educational Data System (CBEDS).

Applications are to be mailed by July 15, 2005, to:

Staff Development in June

Western Placer Unified School District

WPUSD "a district on the move"

Many teachers at this time of the year start wondering how they are going to log a few more hours of **staff development before the end of June** to use their **paid staff development hours**. This year, we are going to have **three days** of staff development during the **week of June 6th**.

Here are the offerings:

- (Grades K-5) Monday, **June 6th, 9:00-11:00**, **Linda Bunn** from Harcourt will present a two hour overview of our **new English language development curriculum for elementary**. A comprehensive workshop will be held in August.
- (All Grades) Tuesday, **June 7th, 9:00-11:00**, **Ed Newberry** will present a **digital storytelling** workshop (see reverse). This workshop "sold out" last time around, so it must be good! This workshop will be held at **GEMS in Room 2**.
- (All Grades) Tuesday, **June 7th, 12:30-3:30**, **CTA and WestEd** will be offering a standards-based education workshop. This is a new workshop and promises to be interesting.
- (All Grades, but focusing on Special Education and Intervention teachers) Thursday, **June 9th, 9:00-12:00**, **Scott Leaman** will present a workshop on **progress monitoring using curriculum based measurement**. This system assists in gauging progress and is simple to use. It is linked to other CBM measures. **Teachers attending will be entitled to a special aimsweb account to track progress of their students in 2005-06. Invite your instructional aide!**

All workshops will be held in the **Staff Development Room except digital storytelling, which is at GEMS.** Workshops are **limited to the first 32 REGISTERED participants**. If you sign up for a workshop and are unable to attend, please contact Kari at the district office (916.645.6350) so someone else can attend.

REGISTER AT WWW.WPUSD.K12.CA.US

Staff development for the 2004-05 school year will be **closed after June 17, 2005.**

6.1.2

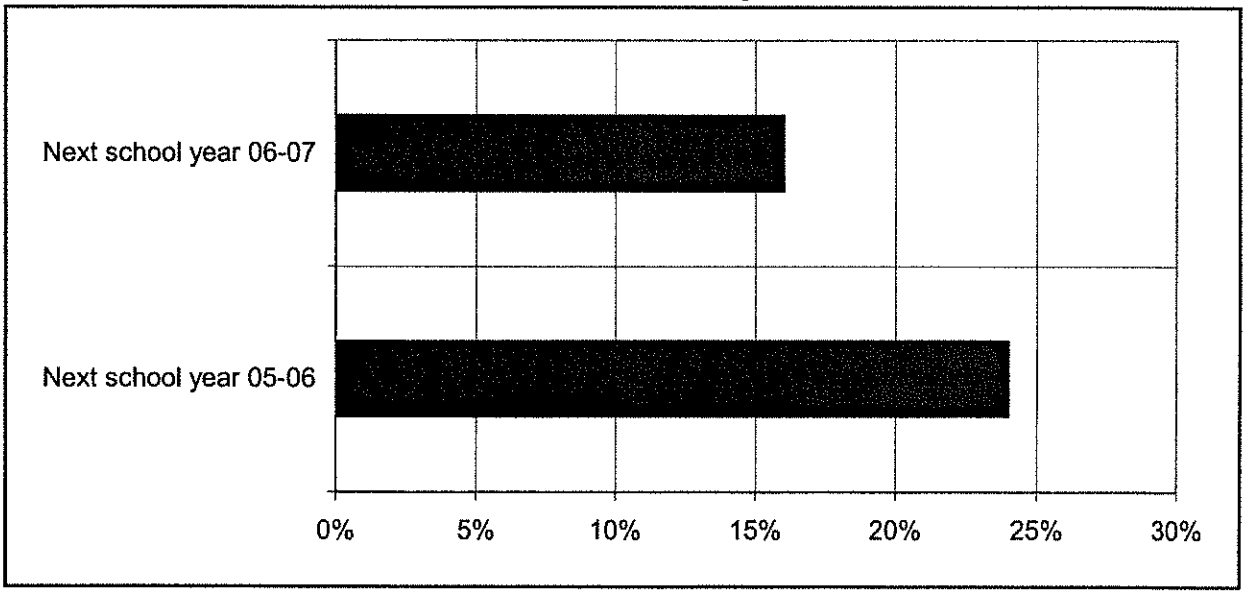

Parents with children in Sheridan

Parent options for 6th - 8th graders

Time frame for change

Parent Comments

1. The value of the small size of Sheridan school is demonstrated through test scores, grades and the kind, positive behaviors of the kids. The kids come to Sheridan because it is in Sheridan. If they desired to go to Lincoln schools they would do so. Thank you

2. I believe that my sons comments at the April Board meeting has been twisted to support the changes presented tonight. The real concern of my son was the split position of the 7th/8th principal. He felt that his "education" was being challenged not the social/emotional issues that were brought up tonight. I feel you used my son and our comments as concerned parents to mask the real reason this change is happening. My family chose Sheridan because of the small town atmosphere and provides ample social opportunities to my children.

3. I believe that this school is working well. I love this school and am very happy. I would like to my 5th grade student who is going to be a 6th grader to stay here. If this is going to happen wait for the new middle school to relieve some pressure off GEM.

4. I have my son in Sheridan because he wants to be here. I moved him into town "Coppin" for reasons personal but it proved to be a mistake. He does better at a small school. I was not happy with his education academic or social at "Coppin"

5. Having children travel 45 hr to go to another because of interaction is okay, but to take them from a school that rates high in scores to interact, isn't good enough especially, when after school programs aren't going to be available to them because they have to catch a bus! Taking 25 students out to interact is going to take 25 students allotments away as well, so the school looses again, less teachers, less programs. Only the other benefits. And then there are more students for that staff to control.

6. Why is the district interested in investing (money, benefits, etc.) for more teachers at GEMS to accommodate the Sheridan students, when parents Originally asked for a full-time math teacher & a full time principal at Sheridan? Thank you for your time.

7. It should be a parents option, whether to send their child to middle or not. Every child is different, some will do well in middle school and some will not. To some children middle school could instantly destroy a child's self-esteem. It could also lower their grade point if the their self-esteem is instantly devastated. My son will thrive at Sheridan versus Glen Edwards. He works well in smaller class sizes both academically and socially. Look up www.whittedclearly.com. Examination of Peer Group. This is data that talks about the transition of 5th grade to 6th, 7th, & 8th grades. It shows statistics of peer pressure, bullying and peer groups.

8. I am very impressed with Sheridan school & faculty. I am fighting right now to ensure a seat for my future kindergartner because we are on an interdistrict transfer. My son is finally being given the attention he needs & has been seen to see he is gifted. I don't want my children to get lost in a larger school but rather keep them found in Sheridan.

9. I would like to hear from families who currently have their children in Glen Edwards and hear the pros and cons of that educational environment.

10. I support changing Sheridan to K-5 to afford more opportunity and diversity to the 6-8 graders. Based on what we've been told Sheridan will not have access to the resources available to the other middle school children. My concern is after middle school - where will our kids go, will they be able to stay with friends they've made? What choices do Thermaland students have since we had to transfer to Sheridan for 2005.

11. I don't want my kids to go to an other school, I like Sheridan to be the school for my kids. I don't agree to new changes.

Parent Comments

12. My student left Carlin Coppin and he was lost in the numbers, he was an unknown there and felt unimportant. He has made bonding friendships and has excelled in his academics. I feel that he would be a depressed and ready for dropping out. I love Sheridan.

13. Having seen both sides from K-8 & 6-8 I feel Sheridan should stay K-8 because I feel Sheridan is growing daily - and taking this educational opportunity away from Sheridan and its students is not a reasonable answer! I am glad I am moving!

14. Sheridan has functioned well as a K-8 school. The teachers are caring and the students are receiving an excellent education here. I would like to see options visited to increase the programs while maintaining a K-8 school. Small schools such as Sheridan should not be penalized for being small.

15. I would like Sheridan to remain K-8, if something has to budge, send the eight graders with a guarantee they have the option to go to Twelve Bridges.

16. It is our job to emotionally, socially train or direct our children.

17. I would like to see this school remain unchanged. However, if change is inevitable I would like to see it remain at least a K-6th. With the 7th & 8th graders having an option of which school to attend.

18. My husband and I agree with Earl Mentz. It is a great idea!! Thank you

19. 1. Option to choose either school- Glen Edwards or Twelve Bridges. 2. Bus passes for future students coming up. 3. Could more teachers be put on our campus. Take the money you are putting into GE and put it towards Sheridan. 4. If this does not pass, could we still have the option of Glen Edwards or Twelve Bridges.

20. I want to make sure IEP be carried over to Glen Edwards. I like the one on one & my child needs to have his IEP.

21. I want to make sure my child who has juvenile diabetes be taken care of.

22. As a parent who was able to remove my child from Sheridan's middle school, socially & academically he has blossomed. I appreciate that I could have the option to do that. The opportunities afforded to him are tremendous.

Should the Sheridan junior high program be moved?
From the Staff at Sheridan

Advantages	Disadvantages
More Program opportunities for kids	Every student is known by teachers
More balanced social environment	Is it really? Some 6th grader will be awfully young going there. The county fish will be swallowed whole, (too early)
Easier (more realistic) transition to high school routine	School in Lincoln bursting at the seams, why add to that!
More challenging academically	Lose kids to other districts (Wheatland)
Align as a K-5 School	Lose sense of belonging to community
Students kept to grade levels 6th, 7th, 8th kept separate at GEMS	If Jr. high stays here changes need to be made regarding academics and discipline.
Eliminate poor modeling by older students	Busing-close to 60 kids (Extra bus cost?) Low-income area
Sports, band, activities, choir	No alternative for those who need it
Broader lunch choices	How much money will our school lose?

BOARD MEETING DATE:

June 07, 2005

BACKGROUND:

Tax and Revenue Notes (TRANS) are a short-term borrowing strategy used to finance and eliminate cash flow deficits or potential deficits in the General Fund. It is not unusual for school districts to experience cash flow deficits in the months just prior to the receipt of property tax revenues.

Since 1990, the District has borrowed between $1.2 and $5.0 million a year to cover its operating costs.

SUPERINTENDENT'S RECOMMENDATION:

Administration recommends the Board of Trustees approve Resolution 04/05.36 of the Board of Trustees of Western Placer Unified School District authorizing the issuance of 2005 Tax and Revenue Anticipation Notes for said District and requesting the Board of Supervisors of Placer County to issue said notes.

RESOLUTION NO. 04/05.36

RESOLUTION OF THE BOARD OF TRUSTEES OF WESTERN PLACER UNIFIED SCHOOL DISTRICT AUTHORIZING THE ISSUANCE OF 2005 TAX AND REVENUE ANTICIPATION NOTES FOR SAID DISTRICT AND REQUESTING THE BOARD OF SUPERVISORS OF PLACER COUNTY TO ISSUE SAID NOTES

WHEREAS, Section 53853 of the Act provides that such notes must be issued in the name of a school district by the board of supervisors of the county, the county superintendent of which has jurisdiction over said district, as soon as possible following the receipt of a resolution of the governing board of the district requesting the borrowing; and

WHEREAS, the County Superintendent of Schools of the County of Placer (the "County") has jurisdiction over the District, and this Board of Trustees (the "District Board"), being the governing board of the District, hereby requests the borrowing of not to exceed $7,500,000 at an interest rate not to exceed seven percent (7%), through the issuance by the Board of Supervisors of the County (the "County Board") of 2005 Tax and Revenue Anticipation Notes (the "Notes") in the name of the District; and

WHEREAS, pursuant to federal tax restrictions, such Notes shall be payable no more than thirteen (13) months after their date of delivery which is during the fiscal year succeeding the fiscal year 2005-2006 in which such Notes were issued and pursuant to Section 53854 of the Act, such Notes shall be payable only from revenue received or accrued during the fiscal year 2005-2006 in which issued ; and

WHEREAS, pursuant to Section 53856 of the Act, the District may pledge any taxes, income, revenue, cash receipts or other moneys deposited in inactive or term deposits (but excepting certain moneys encumbered for a special purpose); and this Resolution specifies that certain unrestricted revenues which will be received by the District for the general fund of the District during or allocable to fiscal year 2005-2006 are pledged for the payment of the Notes; and

WHEREAS, the Notes shall be a general obligation of the District, and to the extent not paid from the taxes, income, revenue, cash receipts and other moneys of the District pledged for

WHEREAS, the District Board has found and determined that said $7,500,000 maximum principal amount of Notes to be issued by the County Board in fiscal year 2005-2006, when added to the interest payable thereon, does not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys of the District which will be available for the payment of the Notes and interest thereon, as required by Section 53858 of the Act; and

WHEREAS, the Notes will not be outstanding after a period ending thirteen months after the date on which such Notes are issued and will not be issued in an amount greater than the maximum anticipated cumulative cash flow deficit to be financed by the anticipated tax or other revenue sources for the period for which such taxes or other revenues are anticipated and during which such notes are outstanding, all as provided in the Income Tax Regulations of the United States Treasury promulgated under Section 148 of the Internal Revenue Code of 1986, as amended (the "Code");

NOW, THEREFORE, the Board of Trustees of the Western Placer Unified School District hereby resolves as follows:

Section 1. Authorization of Issuance of Notes; Terms Thereof; Paying Agent. The District Board hereby requests the County Board to issue in the name of the District, an amount not to exceed $7,500,000 principal amount of Notes under Sections 53850 *et seq.* of the Act, designated "Western Placer Unified School District, County of Placer, State of California, 2005 Tax and Revenue Anticipation Notes" (the "Notes"); to be numbered from 1 consecutively upward in order of issuance (if more than one Note is registered); to be in the denominations of $5,000, or integral multiples thereof, as determined by the purchaser thereof; to be dated the date of delivery thereof; to mature (without option of prior redemption) within thirteen (13) months of the dated date; and to bear interest, payable at maturity and computed on a 30-day month/360-day year basis, at the rate or rates determined at the time of sale thereof, but not in excess of seven percent (7%) *per annum*; provided that if the Notes will mature more than twelve (12) months after the date of issuance thereof, an additional interest payment date on or before the one year anniversary of the issuance of the Notes shall be selected, such selection to be conclusively evidenced by the execution of the Notes. Both the principal of and interest on the Notes shall be payable, only upon surrender thereof, in lawful money of the United States of America at the office of Treasurer–Tax Collector of the County or such other paying agent as the District or County may appoint (the "Paying Agent") which is hereby designated to be the paying agent on the Notes. This Board hereby approves the payment of the reasonable fees and expenses of the Paying Agent as they shall become due and payable.

6.2.2

Section 2. Form of Notes. The Notes shall be issued in registered form and shall be substantially in the form and substance set forth in the resolution of the County approving the Notes, the blanks in said form to be filled in with appropriate words and figures as authorized herein and in the resolution of the County. The Notes shall be initially registered in the name of "Cede & Co." as nominee of The Depository Trust Company, and shall be evidenced by one note in the full principal amount of the Notes. There shall accompany the Notes, the legal opinion of Sidley Austin Brown & Wood LLP respecting the validity of said Notes.

Section 3. Deposit of Note Proceeds. The moneys so borrowed shall be deposited in the general fund of the District.

Section 4. Payment of Notes.

(A) Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District during fiscal year 2005-2006 and which are available therefor. The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Pledged Revenues defined below, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District hereby pledges an amount equal to fifty percent (50%) of the principal amount of the Notes from the unrestricted revenues received by the District in the month ending January 31, 2006; an amount equal to fifty percent (50%) of the principal amount of the Notes from the unrestricted revenues received by the District in the month ending April 30, 2006; plus an amount sufficient to pay interest on the Notes and any deficiency in the amount required to be deposited during any prior month, from unrestricted revenues received by the District in the month ending May 31, 2006 (such pledged amounts being herein called the "Pledged Revenues"). The term "unrestricted revenues" shall mean taxes, income, revenue, cash receipts, and other moneys of the District as provided in Section 53856 of the Act, which are intended as receipts for the general fund of the District and which are generally available for the payment of current expenses and other obligations of the District.

The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the first moneys received by the District from such Pledged Revenues, as provided by law.

In the event that there are insufficient unrestricted revenues received by the District to permit the deposit into the Repayment Fund, as hereinafter defined, of the full amount of Pledged Revenues to be deposited from unrestricted revenues in a month, then the amount of any deficiency shall be satisfied and made up from any other moneys of the District lawfully available for the repayment of the Notes and the interest thereon.

(C) Covenant Regarding Additional Short-term Borrowing. The District hereby covenants and warrants that it will not request the County of Placer Treasurer–Tax Collector (in such capacity, the "Treasurer") to make temporary transfers of funds in the custody of the Treasurer to meet any obligations of the District during the 2005-2006 fiscal year pursuant

6.2.3

to the authority of Article XVI, Section 6 of the Constitution of the State of California or any other legal authority.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be deposited with and held by the Paying Agent in a special fund designated as the "Western Placer Unified School District, County of Placer, State of California, 2005 Tax and Revenue Anticipation Notes Repayment Fund" (herein called the "Repayment Fund") and applied as directed in this Resolution. Any moneys placed in the Repayment Fund shall be for the benefit of the holders of the Notes, and until the Notes and all interest thereon are paid or until provision has been made for the payment of the Notes at maturity with interest to maturity, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created.

(E) Disbursement and Investment of Moneys in Repayment Fund. From the date this Resolution takes effect, all Pledged Revenues shall, when received, be deposited in the Repayment Fund. After such date as the amount of Pledged Revenues deposited in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District upon the request of the District. On the maturity date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund, to the greatest extent possible, shall be invested at the request of the District in investment securities by the Paying Agent, as permitted by applicable California law, as it is now in effect and as it may be amended, modified or supplemented from time to time; provided that no such investments shall have a maturity date later than the maturity date of the Notes.

Section 5. Execution of Notes. The County Chairperson, or a designee thereof (the "Chairperson"), is hereby authorized to sign the Notes manually or by facsimile signature and the Clerk of the County Board (the "Clerk") is hereby authorized to countersign the Notes by use of his or her manual or facsimile signature, and said Clerk is hereby authorized to affix the seal of the County thereto by facsimile impression thereof, and said officers are hereby authorized to cause the blank spaces thereof to be filled in as may be appropriate.

Section 6. Sale of the Notes. The Notes shall be sold to the purchaser at a negotiated sale through a competitive process conducted by the Financial Advisor appointed herein. The form of Contract of Purchase for the Notes, substantially in the form presented to this meeting, is hereby approved. The Chairperson and the Treasurer, or an authorized designee thereof, are hereby requested to execute and deliver the Contract of Purchase, and the Superintendent (the "Superintendent") or the Assistant Superintendent, Business Services (the "Assistant Superintendent") is hereby authorized and requested to acknowledge such Contract of Purchase, if necessary, but with such changes therein, deletions therefrom and modifications thereto as the Chairperson or Treasurer may approve, such approval to be conclusively evidenced by his or her execution and delivery thereof; provided, however, that the maximum interest rate on the Notes shall not exceed seven percent (7%) per annum and that the discount not exceed 1% of the par amount of the Notes. The Chairperson and the Treasurer are further authorized to determine the

maximum principal amount of Notes to be specified in the Contract of Purchase for sale by the County Board, up to $7,500,000 and to enter into and execute the Contract of Purchase with the purchaser, if the conditions set forth in this Resolution are satisfied.

Section 7. Appointment of Bond Counsel and Financial Advisor; Authorization of Preliminary Official Statement and Official Statement. Sidley Austin Brown & Wood LLP is hereby appointed as bond counsel to the District in connection with the issuance of the Notes. Capitol Public Finance Group, LLC is hereby appointed as the financial advisor to the District in connection with the issuance of the Notes, and is hereby authorized to prepare a Preliminary Official Statement and an Official Statement relating to the Notes, to be used in connection with the offering and sale of the Notes. The Superintendent or the Assistant Superintendent, Business Services, are each hereby authorized and requested to execute and deliver the Official Statement.

Section 8. Delivery of Notes. The proper officers of the County Board are hereby requested to deliver the Notes to the purchaser thereof. Section 9. Authorization to Invest in Investment Agreement and LAIF. Subject to federal tax restrictions, moneys in the funds created hereunder shall be invested at the Treasurer's discretion pursuant to law and the investment policy of the County, unless otherwise directed in writing by the District. Pursuant to Section 53601(1) of the Government Code of the State of California, the following are also hereby designated as additional authorized investments for the proceeds of the Notes and for the moneys in the Repayment Fund: (i) a guaranteed investment agreement meeting the requirements of each rating agency then rating the Notes necessary to maintain the current rating on the Notes and (ii) the Local Agency Investment Fund administered by the State of California.

Section 10. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Notes, as originally executed and as it may be amended from time to time in accordance with the terms thereof. Noncompliance with this Section shall not result in acceleration of the Notes.

Section 11. Tax Covenants. The District covenants that it will make no use of the proceeds of the Notes or any other amounts that would cause the Notes to be "arbitrage bonds" under Section 148 of the Code; and, to that end, so long as any of the Notes are outstanding, the District and all of its officers having custody or control of such proceeds agree to comply with all requirements of said Section 148 and the Treasury Regulations promulgated thereunder, including restrictions on the use and investment of proceeds of the Notes and certain other amounts and the rebate of a portion of the investment earnings on certain amounts, including proceeds of the Notes, if required, to the federal government. In furtherance of the covenants contained in this Section 11, the District agrees to comply with the Tax Certificate to be provided to the District by bond counsel for execution by the District on the date of issuance and delivery of the Notes (the "Tax Certificate"). The District covenants that it will take no action that would cause the interest on the Notes to be included in gross income for federal income tax purposes, nor will it refrain from taking action required to maintain the exclusion of interest on the Notes from gross income for federal income tax purposes.

Section 12. Covenants and Warranties. It is hereby covenanted and warranted by the District that all representations and recitals contained in this Resolution are true and correct, and that the District, its appropriate officials and the District Board, have duly taken, or will take, all proceedings necessary to be taken by them for the levy, collection and enforcement of the Pledged Revenues in accordance with law for carrying out the provisions of this Resolution and the Notes.

8. The Underwriter has entered into this Contract of Purchase in reliance upon the representations and warranties of the District contained herein, the Resolution, and the performance by the District of its obligations hereunder, as of the date hereof and as of the date of the Closing. The Underwriter's obligations under this Contract of Purchase are and shall be subject to the following further conditions as of the Closing:

If the County shall be unable to satisfy the conditions to the Underwriter's obligations contained in this Contract of Purchase or if the Underwriter's obligations shall be terminated for any reason permitted by this Contract of Purchase, this Contract of Purchase shall terminate and neither the County nor the Underwriter shall have any further obligation hereunder, except that the obligations of the Underwriter and the District, to pay certain expenses as provided in Section 10 herein shall continue in full force and effect.

9. The performance by the County of its obligations is conditioned upon (i) the performance by the Underwriter of its obligations hereunder; and (ii) receipt by the County and the Underwriter of opinions and certificates required to be delivered at the Closing.

10. (a) Whether or not the Notes are issued as contemplated by this Contract of Purchase, neither the County nor the Underwriter shall be under any obligation to pay and the District shall pay, all expenses incident to the performance of the District's obligations, including but not limited to (i) the fees and disbursements of the accountants, financial advisers and any

other experts, consultants or advisers to the District and retained on such basis by the District; (ii) the fees of the Paying Agent (as defined in the Resolution) and of any rating agencies rating the Notes; (iii) the cost of preparation and reproduction of the Preliminary Official Statement, the final Official Statement, any amendment or supplement to the Preliminary Official Statement or the final Official Statement, and the cost of printing the Notes; (iv) the fees and disbursements of Bond Counsel; and (v) any other expenses and costs of the County and the District incident to the performance of their obligations in connection with the authorization, issuance and sale of the Notes to the Underwriter.

11. Any notice or other communication to be given to the County under this Contract of Purchase may be given by delivering the same in writing to the County Treasurer-Tax Collector, or to such other person as they may designate in writing, and any notice or other communication to be given to the Underwriter under this Contract of Purchase (other than the acceptance hereof as specified in the first paragraph hereof) may be given by delivering the same in writing to [UNDERWRITER].

12. This Contract of Purchase when accepted by the County in writing as heretofore specified shall constitute the entire agreement between the County and the Underwriter and is made solely for the benefit of the County and the Underwriter (including the successors or assigns of the Underwriter). No other person shall acquire or have any right hereunder or by virtue hereof.

13. The District will undertake, pursuant to a Continuing Disclosure Certificate, substantially in the form reviewed by the Underwriter as of the date hereof, to provide notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the Preliminary Official Statement and the Official Statement. Unless the District is otherwise notified in writing by the Underwriter on or prior to the Closing, the "end of the underwriting period" for the Notes for all purposes of Rule 15c2-12 under the Securities and Exchange Act of 1934, is the Closing. [Closing Date]

[Underwriter]

Ladies and Gentlemen:

Reference is made to a Contract of Purchase dated _____, 2005 (the "Contract of Purchase"), between the County of Placer, California (the "County") and the underwriter named therein for the $[PRINCIPAL AMOUNT] 2005 Tax and Revenue Anticipation Notes (the "Notes") of Western Placer Unified School District, in connection with which you have requested my opinion as to the matters set forth below. All terms used herein have the definitions set forth in the Contract of Purchase.

As legal counsel to the County, I have reviewed the Resolution adopted on _____, 2005, entitled "RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF PLACER PROVIDING FOR THE ISSUANCE OF WESTERN PLACER UNIFIED SCHOOL DISTRICT, COUNTY OF PLACER, STATE OF CALIFORNIA, 2005 TAX AND REVENUE ANTICIPATION NOTES". I have also examined such portions of the Constitution of the United States of America, the Constitution and the Statutes of the State of California (the "State") and such applicable court decisions as I deemed necessary or relevant for purposes of the opinions set forth below, and made such further inquiries and investigations as I deemed necessary or appropriate for purposes of such opinion. Based on the foregoing, I advise you that in my opinion:

1. The County is a political subdivision duly organized and validly existing under the laws of the State of California.

2. The Resolution was duly adopted at a meeting of the governing body of the County, which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout.

3. There is no litigation against the County of any nature pending or threatened to restrain or enjoin the issuance, sale, execution or delivery of the Contract of Purchase, the Notes or any of the proceedings taken with respect to the issuance and sale of the Notes, the application

6.2.21

of moneys to the payment of the Notes or in any manner questioning the proceedings and authority under which the Notes were authorized or affecting the validity of the Notes, the existence or boundaries of the County or the title of officials of the County who have acted with respect to the proceedings for the issuance and sale of the Notes to their respective offices, and no authority or proceedings for the issuance and sale of the Notes have been repealed, revoked or rescinded.

4. The issuance of the Notes and the execution, delivery and performance of the Contract of Purchase do not and will not conflict with or constitute on the part of the County a breach of, or a default under any agreement, indenture, mortgage, lease or other instrument, to which the County is subject or by which either of them is bound.

Very truly yours,
