There will be a lot of assumptions with the 05-06 budget, this will include audit actuals that were left over, along with the governor's figures. We are working on the revised budget which shows the actuals to the adopted budget, which include any changes between June and October. He reported ADA makes up 80% of the budget, and we receive a dollar amount per student, which is spent where needed, this also includes any programs that are needed. School construction fees come from the Mello-Roos, and are restricted funds, as well as any cost for a new school which comes out of capital facility funds. He reported last year's growth was 12.2%.

He reviewed last years needs, we added 14 FTE new teachers, along with a principal, a lot of increases were from classified staff needed to staff the new school, a mechanic, another school psychologist, health benefits, which included worker's comp. Other outgoing are billbacks from Placer County Office of Education mandates. Currently we're caring a 1.1/2% reserve we are going to be required to carry a 3%.

5. REPORTS & COMMUNICATION,

5.1 Student Advisory – Garrett Snyder, Lincoln High School – Reported that homecoming went well. Reported student, Chelsea Worley did a great job on homecoming. Student body is looking at rerouting the parade to go past the Glen Edwards Middle School. Reported Sun City volunteers have been tutoring students to prepare for the high school exit exam. He also reported Sun City Sugar Babies will also be performing on October 28th, and all proceeds will go the high school drama class. Mr. Yohe suggested a meeting with Mrs. Boyle before rerouting the parade, there have been problems in the past with the parade going past Glen Edwards Middle School.

5.2 Western Placer Teacher's Association – Mike Agrippino read the following statement. "You may recall last spring, as a gesture of cooperation, the Teachers Association agreed to delay negotiations until the start of this school year. The main purpose of this delay was to allow time for the State of California to pass its budget. Two weeks ago, the Board was officially presented with the Association's formal request to continue our work from last spring, and to begin work on our contract that expires in June of 2006. In the letter, our negotiations Chair encouraged the Board to direct the District to schedule as many meetings as possible. As of this evening, no dates have been set. This is a concern for the Teachers Association".

We are now over six weeks into the new school year, which represents about 17% of the school year completed. The work we need to accomplish will require a significant amount of time for both the District and the Association. Therefore, it makes sense that we get started soon. Our Negotiations Team is prepared, and our members are eager to see us get going".

7. ♦ACTION ♦DISCUSSION ♦INFORMATION
CODE: (A) = Action (D) = Discussion (I) = Information

7.1 (I/D) NEWCASTLE ELEMENTARY SCHOOL DISTRICT BOUNDARY LINE – Yohe *(05-06 G & O Component IV-I)*

•A request from the Superintendent of Newcastle Elementary School District to discuss revisiting the current Newcastle/Western Placer Unified School District boundary lines.

Present to address the board was Mrs. Kathleen Daugherty, Superintendent of Newcastle School District. Kathleen gave each board member a handout. There was a lengthy discussion on the Newcastle zip code. A map was posted showing boundary proposals. Mrs. Daugherty talked about working with the Board on coming to an agreement on boundary lines. She reviewed

figures regarding the amount of voters within the boundaries, along with street names that will be affected. She spoke on behalf of a portion of the Newcastle residents who say they do not consider themselves as Lincoln residents. According to the boundary lines, the furthest student would be within 5 miles of the Newcastle school, also Newcastle is willing and able to provide bus service for these students. She reported that Newcastle does not have their own buses, but would be able to contract for bussing. She did inform the board of trustees that proper protocol has been followed to request the changes in boundary lines, and reviewed the list of conditions and criteria that were submitted

- The community identifies by addresses for sports leagues; 4-H; girl scouts; boys scouts; and churches, the mailing address seems to be a pin point when people are moving into areas.
- Division of property needs, current facilities, they feel Newcastle will meet the needs in time.
- Newcastle has a no growth plan, and no room for development.
- These changes will not result to any cost towards the State, nor will facilities need to be added. The proposal would not disrupt the programs that are currently in place
- The district would allow those students currently attending Western Placer to continue. Will not effect fiscal cost. This property does not have Mello-Roos. There are future plans for schools to be built.

Mr. Long felt this would pose a problem, along with interdistrict, and asked if they would consider annexing with Western Placer? Mrs. Daugherty informed the board of trustees a portion of the process has been completed, a petition was done this past summer, and 590 contacts were made, 502 signatures were in support of the boundary changes, and 88 people that were contacted did not want to change.

Mrs. Eustice spoke in regards to the zip codes, and that when a home is purchased the buyer signs a disclaimer which informs the buyer which school they will be attending. There are currently 100 students with a Newcastle address. Ophir draws about 9 students from the current boundaries. Mrs. Daugherty asked the board to consider the possibility of a portion of the boundaries being divided, or maybe coming to some sort of agreement. She informed the board of trustees if an agreement is not made,

Newcastle will move to the next step. Mr. Sonnenburg replied, he sensed the board is not interested in making any boundary changes, and again maybe Newcastle would consider annexing with Western Placer.
Mr. Long informed Mrs. Daugherty that we have Principals that have come from the Ophir, Penryn, and the Auburn area to work in our district. He also talked about what the school farm has to offer and about breaking ground for the new high school, and working in conjunction with Sierra College.

Mrs. Daugherty replied with explaining some students that still like the small school atmosphere, one sizes does not fit all.

Melanie explained that the district currently has a system in place for those students not wanting to attend our district, which is the interdistrict process.

Roger spoke about the Middle School being built and explained how the students in that area would be attending. He also asked her about the petition process submitted to the county office.

She explained the following are needed:

- 25% valid signatures
- A meeting with the county on reorganization for the 9 criteria.
- A series of public hearings that will begin in December.
- There is a 30 day timeline, the mapping is done, by the end of December, Newcastle can agree to pull the petition at anytime along the way.
- Newcastle picks up the cost of the process.

Mrs. Daugherty introduced the following people who attended the meeting with her, and thanked the board of trustees for listening:
John Payne, PTC president
Michael Laden, Board Member
Judy Webber, Wise Road Resident
Denise Allen, Virginatown Road petitioner
Mary Stockwell, Chili Hill Road petitioner

7.2 (D/A) ADOPTION OF RESOLUTION OF INSTRUCTIONAL MATERIALS FOR THE 2005-06 SCHOOL YEAR – Leaman
(05-06 G & O Component IV-I)
•After the public hearing, the board will consider a resolution to notify the State that adequate textbooks and instructional materials

have been made available to students of the Western Placer Unified School District for the 2005-06 school year.

Mr. Leaman reported the adoption of instructional materials is an annual requirement. A motion by Mrs. Eustice, seconded by Mr. Long, and passed by unanimous roll call vote to approve resolution 05/06.5 adopting Instructional Materials for 2005-06 school year.

7.3 (D/A) **APPROVAL OF REVISIONS OF POLICY AND REGULATIONS AS REVIEWED BY THE DISTRICT POLICY COMMITTEE – Yohe** *(05/06 G & O components I-V)*

•The Board of Trustees reviewed the following new policies and regulations at the September 20th Board meeting. It is being requested these policies be approved as submitted.

- BP 0520.3 Title I Program Improvement Districts
- AR 0520.3 Title I Program Improvement Districts
- AR 1312.4 Williams Uniform Complaints Procedures
- E 1312.4 Williams Uniform Complaint Procedures (form)

A motion by Mr. Long, seconded by Mr. McLeod, and passed by unanimous vote to approve the policies as presented.

7.4 (D/A) **RESCIND ACTION TO REDUCE ONE CLASSIFIED EMPLOYEE'S HEALTH CLERK TIME AND ELIMINATE HEALTH AIDE POSITION – Noyes** *(05-06 G & O Component IV-V)*

•On September 20, 2005 the Western Placer Unified School District's Board of Trustees approved the reduction of health clerk hours for one classified employee. The same employee also lost three hours of health aide time since all health aides were promoted to health clerks. Consequently, district personnel were notified by FEMA, the Federal Emergency Management Agency that such action taken by the district is not allowed, when considering the fact the classified employee in question was an active member of the National Disaster Medical System (NDMS), when board action occurred. The school board is asked to rescind its action taken on September 20, 2005 and to restore the classified employee to the position(s)

Mrs. Eustice reported she was very proud that we had someone working with FEMA.

A motion by Mr. McLeod, seconded by Mr. Long, and passed by unanimous vote to rescind action taken at the September 20, 2005

board meeting, and restore the classified employee to the position(s).

7.5 (I/D) HEALTHY KIDS SURVEY INFORMATION – Leaman *(05-06 G & O Component IV-I)*

•The district is mandated to administer the Healthy Kids Survey to seventh, ninth, and eleventh grade students. The district chooses to send a letter home with students (attached). Also included are the administer this survey using a positive approval procedure using a general subjects that appear on the survey.

Mr. Leaman reported on the survey that will be going out to parents. This is administered every 2 years. This is only an information and discussion item. He reported he would bring back numbers from the survey once it is completed.

7.6 (I/D/A) APPLICATION FOR SCHOOL CODE – Leaman *(05-06 G & O Component IV-I)*

•The district has a goal of all high school programs attaining Western Association of School and Colleges (WASC) accreditation. Currently, only the Sheridan Independent Study Program (SIPS) at Carlin C. Coppin has not attained this status. The program was named SIPS because it was once housed at Sheridan. It has been suggested, and the WASC process supports, assigning a unique school code to the program and renaming the program the WPUSD Independent Study Program.

Mr. Leaman reported on the situation with the Independent Study Program, and the need of a school code. Mr. McLeod made a motion, seconded by Mrs. Eustice, and passed by unanimous vote to apply for a school code for Western Placer Unified School District Independent Study Program.

Re: **TRANSFER of 5.233 ac. PARCEL to CITY of LINCOLN**
APN 021-321-042

Jerry Johnson asked me to prepare a legal description / DEED for the transfer of the 5.233 acre parcel at the northwest corner of First & Joiner. I ordered a 'Lot Book' from Placer Title Co. to verify ownership title and if there were any Deeds of Trusts on the land. The report I rec'd dated 10-4-05 showed the same owner – **Western Placer Unified School District Financing Corporation** and with NO Deeds of Trusts.

Enclosed are 2 ORIGINAL Grant Deeds prepared by me and ready to be signed by WPUSDFC.

The following documents shall be attached to the Deed before it is recorded at the County :

1) School Board resolution : Approval to sign and transfer property to CITY ;
2) Notary Acknowledgment for signatures shown on Deed and
3) City Council resolution : Acceptance of Deed and authorization to record.

Any questions call me.

Dear Kathleen:

On September 27, 2005, you submitted for my review and approval a petition to initiate the process to transfer territory from the Western Placer Unified School District to the Newcastle Elementary School District. To validate the petition signatures as related to the territory to be transferred, I requested verification by Jim McCauley, Placer County Clerk-Recorder-Registrar of Voters.

On October 21, 2005, I received the enclosed letter from Mr. McCauley. As you can see, he has stated that his department is unable to determine if the petition has been signed by the required number of the registered voters in the territory proposed for transfer. Mr. McCauley further cited the difficulty he faced due to the lack of a clear legal description and conflicting information regarding the actual territory to be transferred.

I am therefore formally notifying you that I am unable to certify the petition for transmittal to the County Committee on School District Reorganization.

Should you desire to resubmit a petition for territory transfer, I suggest you seek legal advice for preparing petition language and format and the development of a legal description of the territory to be transferred.

Should you have any questions regarding this matter, please contact me.

RE: Request for Transfer of Territory

Dear Superintendent Nobili:

I am returning to you the petitions and associated materials you delivered to the Placer County Elections Division on October 5, 2005 regarding the transfer of territory from the Western Placer Unified School District to the Newcastle Elementary School District (also known as the "193 North Annexation").

In accordance with Education Code Section 35700, you requested that we verify these petitions to determine if at least 25 percent of the registered voters in the territory proposed for transfer signed the petition.

Unfortunately, due to the lack of proper information presented by the petitioners, we are unable to comply with your request. We looked for every possible way we could perform this service with the materials that were presented, however, there was no legal description provided with the materials that could resolve the myriad disputes that exist between the boundary map provided by the petitioners and the list of streets purported to comprise the affected territory.

Without a legal description, it is impossible to determine the true boundary of this area and therefore impossible to determine whether or not this petition meets the required 25 percent threshold.

I am sorry that we were unable to help you with this matter. If you have any questions regarding this letter, please contact me.

Sincerely,

Jim McCauley
