GRACE NOTES PIANO SHOW

In God We Trust

"Praise God from whom all blessings flow.
Praise Him all creatures here below."

The Piano Show is always the highlight of my year. Every student who participates gives inspiration to other students who watch and listen! Let's keep it going by spending time with what we value. Thank you beyond measure, for entrusting us with your children!

On behalf of our growing Fine Arts Department and with love,

— MOREE SIMON

Good evening and welcome to Grace Notes Piano Show, brought to you by TWCA Fine Arts. We are so excited to be together tonight as a community after months of separation, canceled events, and the craziest weather this part of Texas has seen in decades.

Thank you for joining us and celebrating the accomplishments of our wonderful students. Being together is important. Rejoicing in accomplishments is good for our souls.

Tonight, music brings us together as we celebrate and enjoy performances from students who are just beginning their musical journey and from those who have been playing for years. Let's delight in the hard work and talent that will be on display tonight!

— PHIL SWEGER
