

LeaderinMe®

5 Core Paradigms to Inspire Families

LEADERSHIP: Everyone can be a leader.

Parents and children have opportunities for shared leadership

POTENTIAL: Everyone has genius.

We focus on our differences and focus on each other's strengths.

CHANGE: All changes start with me.

To improve our family, I can make improvements.

MOTIVATION: Parents empower children.

Parents inspire children to be self-directed learners.

EDUCATION: Develop the whole person.

Parents help children make academic, social, emotional, and physical achievements.
