We are excited to once again offer our summer camp program!

- Tracking steps with pedometers, our campers will hike coast to coast discovering interesting facts about our great nation. Campers will create a journal and document their journey
- On this exploration, our campers will document their journey
- Perform science experiments,
- Hone their math skills
- Read books about our wondrous states
- Singing silly songs,
- Make crafts
- Play games
- Make new friends

THE HIKE BEGINS JUNE 21ST

This year our field trips will be focused outside, open environments as well as bringing in opportunities that we can host on-site. More to come!
