

Awesome people we work with

Adriana Urdiain

Escuela Primaria Edelmiro Rangel

Maintenance and guards

Rancho del Rey

Escuela Eduardo Caballero

Power Chair

Escuela Bocanegra

Estancia Lázaro Cárdenas

Escuela Benito Juárez

Andrea Perez

Things we love to do

Tabs and cap collection to pay for chemotherapy

Art Classes

Entertainment and leisure activities

PE Classes

Art Auction to buy wheelchairs

Raise Awareness

Toy drive

Clean Ups

Food drives

Create experiences

English Classes

Sensitizing trips to understand different realities

Foster Values

Mural painting

Christmas drives

Dance Lessons

Donations of:

- Books
- School supplies
- Backpacks
- Homemade face masks
- Dance Workshops

Missions we stand for

Elementary Values Committee Mission:

The purpose of the Values Committee is to support the school in its mission of educating students, focus on specific values and provide a venue for students to experience values during the year.

MSHS Values Mission:

Reinforce the schools mission to foster open minds, caring hearts, and global leaders. We emphasize the school's core values: Empathy, Respect, Honesty, Integrity & Responsibility through all the programs. We believe that involvement and the appropriate experiences provide the skills, knowledge and understanding to make significant contributions to society.

ELEM Green Team Mission

Foster in our young eagles to care for their environment by promoting environmental responsibility, awareness and innovation strategies in which they can embrace sustainable practices in their everyday life, creating a positive impact in our community.

CSL Mission:

ASFM CSL is dedicated to making a difference in our local communities through the community service efforts of ASFM students. The community service performed by students should not be merely charity, but should help students recognize community needs, develop and participate in programs to assist those less fortunate, while instilling global social values. Participation in the CSL program should enhance students' overall educational experience and provide them with an opportunity to complete their social service graduation requirements.

HOPE Mission

Strive to give students the opportunity to live our Values program, to create a sense of social awareness for those less fortunate, and to develop respect for children with different abilities.

CARE Mission

Promote Community Awareness in our MS/HS students via Real One to One and Face to Face Experiences.

Sustainable Campaigns we organize

Zero Waste Lifestyle

Adopt air purifying plants

Sort waste

Recycling everyday

Carpooling

Legacy Park

Meatless Monday

Green Lunch Boxes

No Idling

Use of thermo

Zero waste snacks

Monarch butterfly stations

Things we wholeheartedly focus on

Zero Waste Lifestyle

Earth's beauty

Sustainable use of Natural Resource

Ecosystem

Eco Bricks

Biodiversity

Global Warming

Carbon Footprint

Energy producers

Global environmental concerns

Community Service objectives

To promote a sense of **social responsibility and active involvement** in each student.

To provide each student the opportunity to **know and understand the needs of our local communities.**

To provide each student the opportunity to develop and participate in projects which **help people who are less fortunate.**

To provide each student with **opportunities to earn CSL hours** required for graduation.

Latest Campaigns we've done

EAGLES HELPING EAGLES

Purchase of tablets for the children of our maintenance, security and athletic coaching staff to ensure their children's ongoing learning and education

Total of tablets donated: 101!
