## Lakeview Will Be A Middle College Next Year!

High school students attending Lakeview Leadership Academy have the option to enroll in the Middle College program. This program will allow students to complete College Courses while in High School! Some courses will be offered on campus while others will be at VVC. If students work hard some of them can even graduate high school with the ability to transfer to a Cal State University as a junior!

### Important Distance Learning Links to Have on Hand:

**Assistant Principal Wilkins –x46161**

## **What is a Middle College?**

Middle College is a collaboration between a high school and a community college. Students take a combination of core high school courses and college courses to receive their diploma and graduate while providing students the ability to start college early and gain up to 60 college credits.

If you are interested in the Middle College Program please email [jfrias@vvuhsd.org](mailto:jfrias@vvuhsd.org)

## **Program Requirements**

- Students must maintain a 2.0+ GPA at Lakeview.
- Students must be a High School student (Grades 9-12) at Lakeview Leadership Academy.
- Students must turn in periodic Grade Check Verifications from their College Professors so our Counselors can ensure they are excelling and on track.

# Lakeview Middle College Program

## **Benefits of Middle College**

- Free College Tuition for the courses taken while at Lakeview.
- Smoother transition from High School to College.
- Ability to complete college education faster.
- Students can complete a few college courses, or can strive to complete IGETC (Intersegmental General Education Transfer Curriculum). The IGETC is a series of courses that will allow a student to graduate high school and transfer to many UC campuses at a Junior level.

## **College Classes in High School?**

Lakeview Leadership Academy is partnering with Victor Valley Community College (VVC) to offer college courses for our MiddleCollege students. Some courses will be offered on our Lakeview Campus while the majority will be offered on the VVC Campus, which is easier to accomplish due to our close proximity to each other. We are estimating that many of our Middle College students will start their day at Lakeview, and then be bussed to VVC after lunch for their college courses.

Our Lakeview Leadership Academy Talent Show is coming  
**April 8th!!**

If you are interested in participating in our Talent Show then please take a look at the attached Frequently Asked Questions (FAQ) on how to submit your virtual entry. If you still have questions please contact Mr. Tartalone via email at [ctartalone@vvuhsd.org](mailto:ctartalone@vvuhsd.org) and he will be glad to assist you.

Your Talent Show submission deadline is  
**Friday, March 26th.**

# Hug in a Mug

Lakeview held a drive-thru Hug in a Mug event on February 25<sup>th</sup>. Anyone who stopped by received a mug full of hot chocolate supplies, and students who received a 3.5 GPA or higher for First Semester received an Academic Excellence Award!

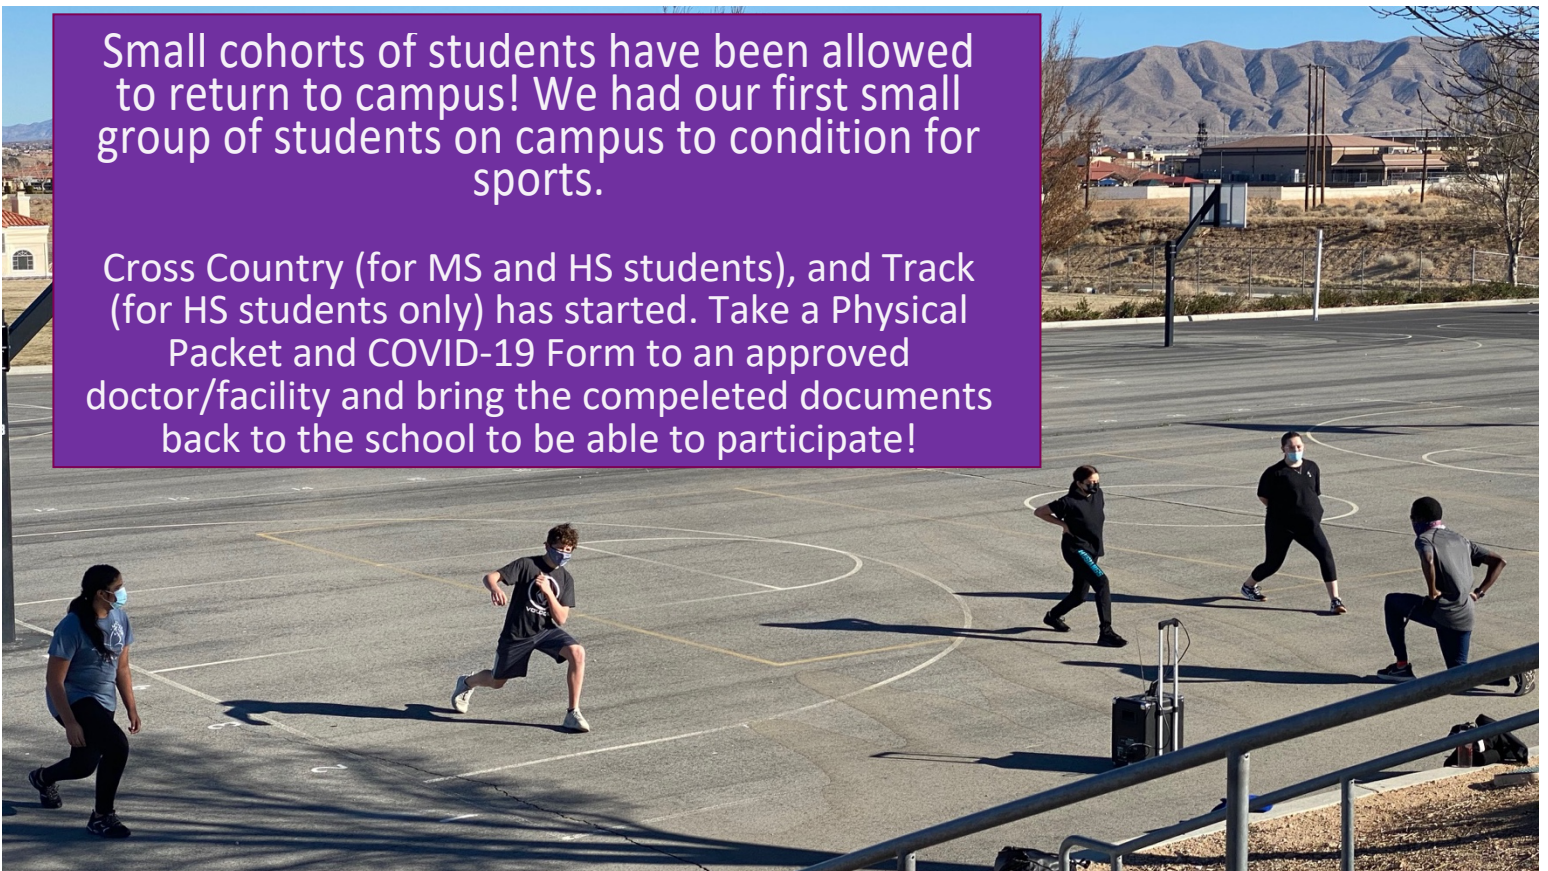

We plan on having another drive-thru event on March 25<sup>th</sup> to celebrate teacher assigned, Student Awards!

# Students Back On Campus

Small cohorts of students have been allowed to return to campus! We had our first small group of students on campus to condition for sports.

Cross Country (for MS and HS students), and Track (for HS students only) has started. Take a Physical Packet and COVID-19 Form to an approved doctor/facility and bring the completed documents back to the school to be able to participate!

# YEARBOOK PICTURES

*2020-2021 Yearbook*

Greetings Lakeview Family! We are in the process of making this year's annual yearbook- and it is an historic year. One of our challenges is that we cannot go class to class taking pictures, in fact we only have pictures that students and parents send to us!

Please consider **sending us pictures that you would like to see in this year's yearbook**: send the pictures to this email address – [Rplacentia@vvuhsd.org](mailto:Rplacentia@vvuhsd.org)

We need all students and parents to help with this, so this year's book will be filled with pictures of your scholars, your friends, and you!

# IMPORTANT

# STUDENT SPOTLIGHT

## Robotics

Robotics had 21 kids compete in an online Robotics and Leadership competition for SkillsUSA in January and February.

Students are waiting to see if they will advance to the state competition.

Results will be posted February 27<sup>th</sup>. Good Luck Spartans!

## Youth Development Foundation Grant

Lakeview received \$2,600 to purchase uniforms, pants, belts, socks, and caps from MLB-MLBPA Youth Development Foundation! They also donated over \$3,000 worth of stuff in their Varsity Team Kits for our Baseball team. THANK YOU!

## Danielle Murray

Twelfth grader, Danielle Murray, managed to earn a WUE Award for her exceptional academic qualifications from a university! It is worth up to \$40,000 in saved college tuition!

Congratulations Danielle!  
Lakeview Leadership Academy is SO proud of you.

# AFTER SCHOOL HOMEWORK HELP

**3-4 P.M.**

Attend small group  
tutoring sessions  
with certified  
Lakeview teachers.

Work on:

- Missing assignments
- Assignments you may need extra help on
- Classwork you need to complete

Ask questions to  
clarify information.

## MIDDLE SCHOOL MATH

Mon. through Fri.

Google  
Classroom:
