

Placing a Hot Lunch Order 1

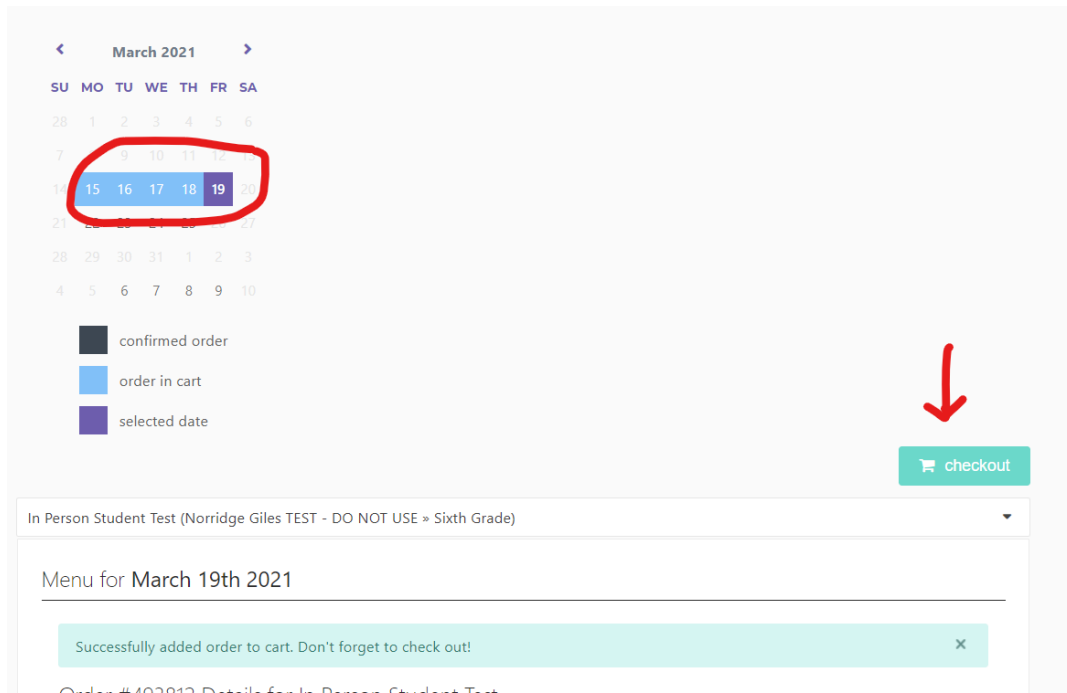

The screenshot shows the 'Place Order' page on the Gourmet Gorilla website. On the left is a dark sidebar with navigation links: Home, Orders, Place Order (highlighted in green), Checkout, and Log Out. The main content area is titled 'Menu for March 15th 2021' and includes a dropdown menu for 'In Person Student Test (Norridge Giles TEST - DO NOT USE - Sixth Grade)'. A yellow banner states: 'All students will have a choice of a fat free chocolate carton or 1% white milk with lunch'. Below this is the 'SFSP Hot Lunch' section with a checkbox for 'repeat sfsp hot lunch order, if possible, for rest of month'. The selected lunch is 'Grilled Cheese, Apple Slices, Cucumber Salad'. There is a text box for a 'Personalized note for In Person Student (for cold brown bag lunches only)' with '55 characters left'. At the bottom, the pricing is shown: Sub-Total: \$0.00, Tax: 0.00000%, Total: \$0.00. An 'add to cart' button is visible at the bottom left of the menu area, and a 'checkout' button is at the top right.
