## Bishops address ethical concerns about new COVID-19 vaccines

“Receiving one of the COVID-19 vaccines ought to be understood as an act of charity toward the other members of our community. In this way, being vaccinated safely against COVID-19 should be considered an act of love of our neighbor and part of our moral responsibility for the common good.”

## Obispos abordan las preocupaciones eticas Relacionadas a las vacunas contra el COVID-19

“Recibir una de las vacunas contra el COVID-19 debe entenderse como un acto de caridad hacia los demás miembros de nuestra comunidad. De esta manera, vacunarse de manera segura contra el COVID-19 debe considerarse un acto de amor al prójimo y parte de nuestra responsabilidad moral por el bien común”.

2020 has certainly been a challenging year. Yet, despite all obstacles, the Church remains a beacon of hope- a light to the world. Our faith is not confined to a physical building; the influence of the church does not stop at its front door.

***We are the Church*** bringing hope by serving others in their time of need.  
***We are the Church*** finding new ways to uphold our most sacred traditions and always offering to others the most essential service of our prayers.

***We are the Church*** standing in solidarity with all our brothers and sisters in raising a unified voice for peace and for dignity of all human life from conception to natural dead.

***TOGETHER, We are the Church*** a universal body of believers delivering to all peoples everywhere a faith filled message of hope and love.

All this is not possible without your support, especially through the ABCD. Soon, you will receive a letter from Archbishop Wenski about the upcoming ABCD Campaign. Please prayerfully consider mirroring the love of Christ by putting your faith into action and making a gift that allows the Archdiocese of Miami to help those in need just as He calls us to. Let us be ***One in Faith, One in Hope and One in Charity.***
