at PRINCETON DAY SCHOOL

SUMMER 2021 DISCOVER YOUR TALENTS

Welcome! Summer Programs at PRINCETON DAY SCHOOL

Welcome to Princeton Day School Summer Programs 2021!

We are so happy to be back in person, offering many programs that will enhance your child's academic and social skills. Please know that the safety of our campers and staff remains our number one priority. We will be adhering to CDC guidelines and Public Health recommendations. For a complete listing of the protocols we will follow, please refer to **PDS Summer Programs Reopens** information found on our website. Other important information for this year:

- Princeton Day School's Lower School building will be undergoing renovations this summer and is off limits to all. Summer Programs will be using the Middle and Upper School buildings for programs.
- All lunches and snacks must be brought in by campers from home this year. Please send your camper in with a lunch, drink and/or water bottle and two snacks, one for the morning and one for the afternoon, if they are staying the whole day.
- Some Academic and Art programs will be held outside under tents. There will be stadium pads for seating. During inclement weather the classes will be held indoors.
- We are offering exciting, additional outdoor programs this year: our traditional offerings of fishing, tennis, athletic all-stars, soccer, garden and more are joined this year with camps in basketball, soccer and squash headed by our very own Princeton Day School Varsity Coaches, plus our newly constructed, state-of-the-art High Ropes Course program!

Check our website, pds.org/summer-programs for the most up-to-date camp information. Please choose programs according to the grade your child will enter in fall 2021. Register today to experience the uniqueness of our camps.

Pre-Camp and Extended Day Care Program Available!

We offer a Pre-Camp option beginning at 7:30am, and an extended day recreational program until 5:30pm. Campers will have use of our gym, playground, board games and other fun activities.

Bring Lunch, Drinks and Snacks

Please note that lunches, drinks and/or water bottles and two snacks must be brought to camp from home this year. Lunch takes place from 11:30am-12:15pm. All camps break for snack at 10:00am and 1:30pm.

Everyone is welcome

Campers do not have to be Princeton Day School students.

Summer Programs at Princeton Day School is an American Camp Association (ACA) accredited program held accountable for up to 300 standards that include and go beyond state licensing.

Join Rose Price and Jamie Bean, Directors of Summer Programs, for a question and answer session.
