Audio only, call: 646-558-8656

Meeting ID: 885 4959 7014

Passcode: 679507

The Plan of Conservation and Development (POCD) is a guidance document that will provide a long-term vision for Vernon and guide decision making for growth, development, conservation, and capital improvements over the next decade.

To develop a vision for Vernon, the **Planning & Zoning Commission** want to hear from residents, business owners, and property owners about their priorities, concerns, and overall vision for the town. Your input will help shape the themes of the POCD.

How do you want Vernon to look in 2032?

Demographics, Housing, Community Facilities, Open Space & Recreation,
Future Land Use, Transportation, Economic Development, Sustainability

Questions? Please contact George McGregor, Town Planner at 860-870-3640 or GMcGregor@vernon-ct.gov
