We are currently offering **FREE MEALS** for all children 18 years and younger. Breakfast and lunch meals are available for pickup Monday through Friday at most of our school sites for online learners and children in the community. Please see our website for specific serving sites, meal times, and additional information.

[www.slcschools.org](http://www.slcschools.org)

Beginning on January 25, many of our elementary schools opened for in-person instruction. At these sites on Monday, Tuesday, Thursday and Friday, students can receive one free breakfast and one free lunch each day they attend school. On Wednesday (digital learning day) all students may pick up a combo meal (lunch for today, breakfast for tomorrow) by visiting the school during the designated meal service time window. No meal applications are necessary this school year. All kids eat free, no questions asked!

Our staff members wear masks and gloves during food preparation and service and observe 6-foot social distancing requirements. All meals include low-fat milk, whole grains, fruits, vegetables, and protein.

**OUR MENU IS COMPLETELY PORK-FREE.**
