TRANSPORTATION

Due to the high costs of transportation, we will be limiting the number of routes we will be offering. The towns we transport to will depend on the applications we receive. If you need transportation, please send in your application with deposit as soon as possible. The routes will be created as the applications are received. We will let you know by August 1st, or before, if we cannot accommodate your request. Deposits will be refunded if we cannot accommodate your child.

W+H provided transportation may be door to door or a bus stop, depending on number of children in the area. The AM pick up time will depend on where your child is on the route and can be as early as 6:30 AM. Afternoon bus time will depend on dismissal times. Please be sure you have submitted your B6T form to W-H as you may be eligible for aid in lieu from your town.

We do not offer a late bus for the students who will be participating in sports; however, we will provide a reduction in the fee for the seasons in which your child participates. If you opt for the rate reduction, your child will not be allowed to take the bus during the full sport season.

If you have any questions regarding transportation, you may call Dawn Cancryn at ext. 143 or email dcancryn@whschool.org
