CAMP FUNSHINE

Camp Funshine is a safe, nurturing camp for preschoolers that encourages growth of social skills, logical thinking and creativity through art, games, swimming, music, STEM, and interactive play. Weekly themes are perfect fun for children ages 3- 5 years old.

ADVENTURE CAMP

Our Adventure campers will enjoy fun-filled days that will challenge both the mind and body. Recreational and brain games, Art, STEM, cooking, and swimming are some of the activities the campers will experience while socializing with friends and counselors. Grades 1-6

TEEN LEADERSHIP CAMP

In TLC, teens will learn about themselves and what makes them good leaders. With exciting weekly themes, they will work together to problem solve and participate in leadership activities and gain community service hours. Grades 7 - 10

BRAIN BOOSTER JUNIOR ACADEMICS

Brain Boosters will keep your child thinking and working on math computations, reading comprehension, and writing skills needed for the next school year. Give your child a jump start so they do not lose ground educationally. Grades 1-5

SUMMER SCHOLARS ACADEMICS

Academic classes for Credit (120 hours), Preview and Enrichment (60 hours) are offered for students entering 6-12 and are taught by experienced teachers. Courses include PreAlgebra, Algebra 1 and 2, Geometry, Precalculus, Reading, and Writing. Keep your mind sharp and ready for the new school year!

SUMMER SPARKS ENRICHMENTS

Interesting and exciting short courses that are hands-on, interactive and loads of fun! Offerings include Ancient Egypt, Marine Biology, Technology App Creation and Design, Dungeons & Dragons, Theater Camp, Sewing and Fashion Design, and Pulse Sports.
