10 Uncomfortable-But-Necessary Financial Aid Questions You Need to Ask...

By Holly Lazzaro for GoToCollegeFairs

No matter who you are or how much you have, talking about money is awkward. But it's especially awkward when you're asking for it.

Unfortunately, most students need to ask for money to attend college. And the number one beneficiary they're asking? The college itself. Navigating financial aid can be tricky; you need to know what questions to ask. Therefore, we've compiled a list of **ten key questions** to ask your colleges of choice about their financial aid policies. Some of these may not apply to you, and there may be others you need to ask based on your unique situation.

These ten, however, should get you off to a great start.

DigiPen: Anatomy of a Game Team

Register Here!

Meet with a game development team to unpack how DigiPen students create their own games from scratch. For a personal look at the art and science of making games at DigiPen, join us for this upcoming Online Info Session.

During the stream, you'll be able to use our live chat platform to ask the students any questions you have about the process of video game development, so RSVP for a seat now and join us **March 17 at 3:00 p.m.** PDT!

Spring Break Camp April 6th & 7th, 2021 2:00 - 4:00 PM

Are you a high school student interested in learning about the stock market and personal stock investing?

We have an opportunity for you!

We're inviting you to take part in this no-cost, 2-day series of virtual workshops where you will learn about the stock market and trading from finance industry professionals, and gain access to a multi-week app simulation where you can apply your knowledge to the actual stock market!
