Dr. Joe Sampson III - Principal

Eric Ruffo - Assistant Principal

Cristin Williams - Dean

Dear Parents/Guardians,

Calvert County Public Schools, through its Title I Targeted Assistance program, provides additional support for students in the elementary grades. This academic support could come in the form of additional reading instruction, math instruction or Family Support services. Grade level assessments were used to determine the students who could benefit from this additional support. Your child has been identified to receive additional support in the area of math or reading. Throughout the year, Title I will communicate regularly with families. Student progress is carefully monitored, and adjustments are made to instruction as needed.

The Title I program also provides opportunities for families to participate in activities and workshops during the school year. Family events are designed to help parents reinforce learning at home. Your child will be able to check out games and books through our Title I Family Lending Library.

If you have any questions, please do not hesitate to call 443-550-8074 and ask to speak with a Title I teacher in our building. Thank you in advance for supporting your child's learning.

Sincerely,

Dr. Joe Sampson III

CES Principal

Next Steps...

1. Please sign and return this letter to school tomorrow.
2. Please sign and return the Title I School-Family-Student Learning Compact attached to this letter.
3. Please review the documents contained in your child's folder for more information on the Title I Program.
