

SO, YOU ARE A FRESHMAN

- Get acclimated to the high school
- Connect with teachers about your courses
- Complete assignments
- Think critically about subject matter
- Participate in interventions
- Participate in at least one (1) extra-curricular activity
- Prepare for and pass applicable High School Assessments
- Algebra
- Biology
- Register for College Preparatory Classes for next year
- Complete service learning requirements, if applicable
- Meet with your counselor about pathways and graduation requirements
