

**CONCURRENT ENROLLMENT  
STUDENT**

The Piedmont Board of Education believes that students should be encouraged to prepare themselves for study beyond high school when possible.

The superintendent or designee will designate a staff member who will make personal contact with every junior and their parents or guardians, individually or in groups, during the fall semester to present materials and to explain the concurrent enrollment program.

The superintendent or designee will post notices in at least two places conspicuous to students calling attention to the concurrent enrollment program and naming the contact person.

The superintendent is directed to prepare a regulation implementing this policy.
