## **Camp WEDS**

A new summer learning program dedicated to connection, play, and nature.

## Highlights of CAMP WEDS will include:

- WEDS Clinicians will be leading summer Groups to facilitate positive socialization, problem-solving, and relationship building throughout the day.
- Summer learning blended into engaging activities, play, and games—all while maintaining our WEDS pedagogy. Reading, Math, Writing, Social Justice, and STEM sessions will be incorporated into the program to strengthen skills, build confidence, and prevent that “summer slide”.
- WEDS Specialists joining the Summer Program to lead Sports, Music, and Art—hopefully outdoors! Signature camp activities will also include crafts, cheers, dance, yoga and cooking.
- Individual programming developed for students who need additional learning, counseling and language support. Prior to starting the summer, we'll come up with the best game plan for each child.

## Safety Protocols

- WEDS will continue to use its highly innovative and effective safety plans to reduce the spread of COVID-19. Plans will follow all local and state guidelines. Small groups, social distance measures, daily screenings, and mask wearing will be measures for our summer plans.
- We will have WEDS faculty only (no outside employees) to lower our campers' exposure risk. Our staff have been trained on our safety protocols and will maintain our safety standards.
- All indoor and rainy day activities will be in areas that have air purifiers and fresh air flow as part of an engineer-designed air purifier and ventilation plan. All classrooms, common areas, and offices have these state-of-the-art purifiers and systems in place.

## Our Program

Our six-week summer program will be fully transformed this summer to give our campers just what they need: a break from screens and a summer full of building strong friendships, exploring the outdoors, and making memories.

Camp WEDS will incorporate traditional summer camp programming with the consistently integrated social-emotional, hands on curriculum. We will embrace being outdoors and enjoy Riverside Park throughout our fun-filled days.

## FACT SHEET
