COLORS

04

STICK TAPE OR GLUE TO THE BACK OF YOUR POT AND ADD YOUR GOLD TO THE TOP OF THE POT. THEN, STICK THE POT IN THE CENTER OF THE PLATE

A decorative graphic on the left side of the slide. It features several gold coins falling from the top. One coin at the top left has a green radiation symbol (three leaves) on its face. Below it are two smaller gold coins. Further down, another coin with the radiation symbol is shown. At the bottom left, there is a stack of three coins, with the top one also featuring the radiation symbol. Vertical white lines of varying lengths are positioned behind the coins, suggesting motion or a path.
