

ELECTRONIC READING DEVICES

It is the policy of the Board of Education that a student may possess an electronic reading device while on school premises, or while in transit under the authority of the school, or while attending any function sponsored or authorized by the school.

Students found to be using any electronic reading device for any purpose other than reading, shall be subject to disciplinary action under the student discipline policy, including confiscation of the device pending parent/guardian conference, detention, or suspension.

The school district assumes no responsibility for lost, stolen, or damaged devices while on school property.
