

9 March 2021

Dear Parents,

### **St Peter's Local Advisory Board vacancies**

The St Peter's Local Advisory Board (LAB) is similar to the more commonly known Board of Governors at many schools. It provides support, advice and challenge to the school's leadership team with respect to how the school is run and its ambitions for the future.

There are currently two vacancies on the LAB and we would be delighted to hear from anyone who may have an interest in joining the board. There is no requirement for prior experience, but an interest in primary education and the management of the school will be essential.

LAB members meet 6 times a year on a weekday evening and each meeting is approximately one and a half hours. Members of the board also aim to visit the school once a term to find out more about particular areas of importance for the school's development.

If you would like to express an interest in joining the LAB or find out a little more about the role in the first instance then please contact Peter Taylor [ptaylor.gov@spps.foliotrust.uk](mailto:ptaylor.gov@spps.foliotrust.uk) by Friday 19<sup>th</sup> March. We will then organise individual online meetings to discuss the roles in more detail.

Yours sincerely,

Caroline Barriball, Samantha Sandle and Peter Taylor  
Co-Headteachers and Chair of Local Advisory Board
