

The Village School of Naples is now accepting resumes for a Middle School Science Teacher for the 2021-2022 School Year. The Village School values inquiry-based, student-centered learning aimed to empower and inspire students to create solutions to challenges faced in an ever-changing world.

The Science Teacher would be responsible for Earth & Space and Life and Physical Science courses ranging from 6th-7th grade. The Middle School Science teacher at The Village School should have an energetic and hands-on approach to education. Collaboration, flexibility, and a passion for educating the whole student are key components of a successful teacher at The Village School. This position will contribute to each grade level's ongoing discussions about interdisciplinary S.T.E.A.M. and project-based learning, creating opportunities for student research and experiential learning. Our Science teacher must have experience, knowledge and a deep understanding of the topics taught as well as a passion for science and a desire to actively engage students in authentic learning experiences.

DUTIES AND RESPONSIBILITIES:

- Develop curriculum and carry out dynamic lessons
- Plan for differentiation of curriculum to meet student needs
- Plan learning environment with a variety of learning styles in mind
- Model Christ Skills, emphasizing this conduct model in all areas at all times
- Sustain ongoing communication between parents and school
- Maintain accurate and up-to-date records for each student
- Maintain learning management system with up-to-date information
- Support the mission and vision of the school's learning philosophy
- Supervise an assistant when appropriate
- Attend required faculty meetings and other School events as determined by the Head of School
- Maintain and follow daily routines and schedules
- Hold parent-teacher conferences as needed, at least once a year
- Engage students through distance learning, in the event of an extended school closing, to provide course content, answering student inquiries, monitoring progress, updating records, and grading assignments and tests
- Other duties may be assigned by the Head of School or Principal

QUALIFICATIONS:

- Must have a four-year degree in education and in the area to be taught. Master's in education preferred.
- Independent school experience is preferred.
- Interest in coaching students and/or other extracurricular activities in after school programs.
- Demonstrate strong support for the stated learning philosophy of The Village School. Workshops and extra study may be required to ensure a thorough understanding of the philosophy.
- Understanding of 21st century classroom practices and interdisciplinary connections is required.

- Spoken and written language skills must be strong and representative of an educated professional.
- Technology skills must be strong and representative of an educated professional and are required to teach students in the classroom as well as to maintain records and communications.
- Must be able to articulate their faith and support the school's Christian environment.
- Demonstrate strong distance learning skills through computer proficiency, teaching aptitudes, communication, reliability, and attention to details.
- Physically, the position of teacher requires sitting, walking, standing, and ability to lift up to 10 lbs. without assistance.
