Highlights

- Themes: **Brand Yourself** and **Lakers Take Action!**
- Students will have an opportunity to **Take Action** experience electives in a new way. Some options might be theater, technology, physical fitness/sports and service learning projects
- **Brand Yourself** - Does your student know who they are and the importance of being able to communicate that to others? As part of the summer school experience students will explore their likes and dislikes, who they want to be as a student, friend and family member and think about how they can stay true to themselves as the world changes around them.
- Possible field trips and guest speakers include college tour, ropes course and more!
