

ST. GEORGE'S
SCHOOL

March 10, 2021

Dear Accepted Student,

I want to offer you congratulations on your acceptance to St. George's! It has been a very exciting year on the Hilltop.

Afternoon activities at St. George's are an integral part of the school curriculum, and every student is expected to participate. Activities are designed to promote fitness, character, self-esteem, commitment, creativity and excellence, as well as to expand students' horizons and offer a way to contribute to the community. We aim to teach such values and life skills as teamwork, sportsmanship, service and coping with both success and failure.

The great majority of our coaches, mentors and directors are classroom teachers and dormitory supervisors who see their afternoon activities as an extension of their educational role at St. George's. They are professionals who make decisions on placement, philosophy, and participation based on what they believe to be best for individuals as well as for the program.

In the days ahead, if you have any questions about our program I hope you will feel free to contact me or individual coaches here at the Athletic Office. You can reach me at 401-842-6645 or at bob_pipe@stgeorges.edu.

Finally, I hope I'll have the opportunity to work with you—and see you in a Dragon uniform next year.

Sincerely,

A handwritten signature in black ink that reads "Bob Pipe".

Bob Pipe
Director of Athletics
