

AMC Service Project > Labre

As an ongoing service project, the AMC has begun supporting a wonderful ministry, Labre, which was brought to UDJ 5 years ago. Each week, a group of students and faculty deliver food and create fellowship within the homeless population in Detroit. We are super excited to begin this partnership and we are thrilled to have the chance to support the young men at U of D as they live out the UDJ mission as Men for Others!

The AMC will be offering financial support along with collection drives for needed food items (granola bars, peanut butter, paper goods), as well as a homemade soup drive for the winter months. Expanded support and service opportunities may occur!

Fall/Spring Needed Non-Perishable Items > We are collecting a variety of non-perishable items such as granola bars/Nutri Grain bars, peanut butter, plasticware, sandwich bags, Styrofoam cups and toothbrushes.

These needed items may be sent directly to the school via Amazon OR dropped off at U of D Jesuit (bin labeled Labre inside the Visitor's Entrance which is the first door to the south). You will need to be buzzed in. **PLEASE DROP OFF ANY DONATIONS BEFORE 3 PM!**

If you are using Amazon, please note: **NO DELIVERY ON WEEKENDS and NO OUTSIDE DELIVERY.** The supplies you order should be sent to ...

Winter Homemade Soup > As winter continues and the weather turns colder, we've been asked to shift our donations to SOUP. **MAKE YOUR FAVORITE HOMEMADE SOUP, one pot for your family and ONE TO SHARE! EVERY WEEK,** we are looking for donations in non-returnable freezer containers, enough to serve 10 people. On the AMC Service SignUpGenius, there will be two slots each week for donations.

Please date and label your donation and drop it off at UDJ > Go in the Visitors Entrance (first door to the south). You will need to be buzzed in. Place the soup on top of the table and ask the receptionist to notify Mrs. Foerg. If she is not available, please ask that the soup be delivered to the kitchen freezer for Labre.
