

Science Teacher

Cathedral High School in Indianapolis, an independent Catholic college preparatory high school in the Holy Cross Tradition, is seeking a Science Teacher (preferred Biology/Chemistry). The chosen candidate will be hired to begin employment at Cathedral during the 2021-2022 school year. If interested, complete the online application on [Cathedral's Career Page](#).

Applications are being reviewed now.

Job Summary

The successful candidate will be qualified and comfortable in supporting students through the introduction and mastery of the content and skills through hands on, inquiry-based/project based lessons to enhance problem solving and critical thinking skills. Cathedral will place priority on candidates with a Biology and Chemistry background/experience.

This position is an integral part of Cathedral High School's program and will require the candidate to create a welcoming and engaging classroom environment for all students and work collaboratively with the STEM team and across disciplines. .

Desired Qualifications

- Bachelor's or Master's degree in Biology/Chemistry.
- Deep and thorough knowledge of the content.
- Experience using online resources and other technologies to enhance learning.
- Valid Indiana Teaching License
- Experience within an educational and/or independent school environment

Duties & Responsibilities

- Teach 5 sections as a full-time teacher.
- Work collaboratively with as part of the department's PLC.
- Contribute to the larger school community through the support of our Holy Cross Core Values.
