

Class Placement Student Concern Form

Student Name: _____ Grade for 2021-2022: _____

Current Teacher: _____ Date: _____

Each year Centerville Elementary School organizes classrooms with the academic, behavioral, social, and emotional needs of our students in mind. During the month of May, classroom teachers and special education teachers will be instrumental in the placement of their students into next year's classrooms. They will be using every piece of student data available to ensure that classes and individual students are balanced and poised for success. Due to changes in the school's student population, final classroom placements will not be posted until mid-August. Everything possible will be done to accommodate your child's needs. If a parent chooses to provide additional information to help in the determination of their child's placement, parents should remember that every decision we make not only impacts your child's education, but the education of all of our students. We appreciate your patience and support as we professionally place each child. Our goal is ensure that each student receives the best education possible while here at our school.

Sincerely,

Eric Holmes - Principal
Centerville Elementary School

Educational concerns should be filled out on the back of this form.

Before you begin, please remember the following items:

- Please only provide information regarding your child's education that your child's current classroom teacher might be unaware of.
- Please DO NOT request for specific teachers by name or description.
- Please DO NOT request a specific class so that a student can carpool or walk home with a friend. Although it may be convenient, it may not be educationally relevant.
- Please remember that information provided may be shared with teachers.
