

5th Grade Greek Theater Radio Dramas

In fifth grade, students dive into an immersive mix of theater history, movement, and Greek ensemble work, this class explores the origins of theater as we know it today. Using physical theater to retell classic Greek myths and stories, this class demonstrates the immense power of The Voice of the People or “Chorus” and how working as an ensemble is still the most effective way to communicate. Check out this year’s 5th grade radio dramas below!
