March Monthly Outreach Project: March 20th - 21st

The [Power Pack Program \(P3\)](#) is a [Food for Others](#) program that provides supplemental weekend food to a large number of students in Fairfax County public elementary schools. The students tend to be on the free and reduced meals program during the school week. Their access to food over the weekend is limited and they experience hunger between school meals. Food for Others' P3 helps guarantee that food-insecure students will have food to eat on the weekends.

P3 provides elementary school students with a pack of food they can bring home and eat over the weekend. Several children in our area have little or almost nothing to eat between their Friday lunch and Monday breakfast meals provided at school. The Power Pack (which contains 2 items for breakfast, 2 items for lunch, and 2 items for dinner, plus 2 snacks and 2 drinks) helps alleviate hunger for local children in need and enables them to focus on their school work.

Drop off your items on Saturday, March 20, 8 am - 5 pm and Sunday, March 21, 7:30 am - 4 pm in front of DeSales Hall. Donations will NOT be accepted at OLGC until that weekend.

Signup to donate a specific food item— <https://www.signupgenius.com/go/409044aaba92ca13-food1>

HAPPY ST. PATRICK'S DAY!

CRISIS ASSISTANCE PROGRAM – The Fairfax County Crisis Assistance Program has been accepting applications. It's designed to help households overcome energy emergencies that cannot be met by other resources. An energy emergency is determined when a household has no heat, is in imminent danger of being without heat, or there is a past due amount owed on the primary heat source utility account. This assistance includes the payment of primary heat source utility bills that currently have a past due amount owed, payment of security deposits for primary heat utility when no service exists, or there is a past due amount owed on the account, and purchase of primary home heating fuel when the fuel supply is low. In addition, it covers the repair of non-operable or unsafe heating equipment, replacement of heating equipment for homeowners when a repair isn't possible, and the provision of supplemental heating equipment maintenance. Applications for the Crisis Assistance Program will be accepted through tomorrow, March 15. Submit them online at commonhelp.virginia.gov or by phone: 1-855-635-4370.

STAY INFORMED – Visit the County's COVID-19 Vaccine Webpage: fairfaxcounty.gov/health/novel-coronavirus/vaccine. There you'll find FAQs on the virus along with

additional information about the vaccine, benefits, side effects, and efforts within Fairfax County. Even if you've already been vaccinated, you must continue to follow health and safety protocol which includes washing your hands, wearing a mask, maintaining six feet of social distancing, covering coughs and sneezes, and staying home when sick.

POST OFFICE DELAYS – They could cost you! The U.S. Postal Service had a tough holiday season when some packages were delayed or never delivered at all. A European relative let me know my Christmas card had arrived at the end of February! A combination of what the postal service describes as “unprecedented volume increases and limited employee availability due to the impact of COVID-19” continues to disrupt and delay mail delivery. As a result, if you rely on the postal service to deliver your bills and payments, you may find they aren't arriving in time. Through no fault of your own, you could be stuck with the results: late fees and even dings to your credit. The disruptions are prompting more people to adopt online bill paying. You could also arrange a direct debit from your bank account for either a one-time or recurring payment. (Kiplinger's Retirement Report.)

ELDER WISDOM – “Gratitude turns what we have into enough.” (Aesop)
