

Here are the notes from our meeting minutes:

### **Community Council Meeting**

Wednesday, March 3, 2021

#### **Attendees:**

Natalie Williams, English Language Arts Coordinator  
Joni Slater, Principal  
Stacia Klingon- Smith, Parent

#### **School-wide Data:**

Ms. Williams reviewed and presented the historical data, school data, and grade level data. Comparisons were explained for the District and neighboring schools. Grade level Acadience data in addition to Reading Inventory data for grades 3-6.

The data can be reviewed within the attached power point.

Mrs. Slater presented proposed goals and funding allocations. These goals will be reviewed and discussed with the JSSC and an additional meeting will be held with the community council for their input and final voting approval. We will also need to review the Imagine Math benchmark assessments to determine our progress on the SIP goal #4) *In grades K-6, increase student growth in mathematics by 2%*

One of the proposals considered the implementation of an Infini-D lab for students to engage in real-world problem solving.
