

2021-2022 RE-ENROLLMENT PROOF-OF-RESIDENCE CHECKLIST

This document outlines the proof-of-residence documents required during Drew Charter School's re-enrollment process. **This year, only students in transition grades (rising 6th and rising 9th) as well as anyone with an address that needs to be updated in Drew's records are required to submit current proof-of-residency documents as a part of re-enrollment.** Detailed information about re-enrollment is available at www.drewcharterschool.org/reenroll.

For students who fall into the categories listed above, there will be an option for uploading these documents while completing the online re-enrollment form. Electronic submission is encouraged, however if a parent/guardian is unable to or opts not to submit documents electronically, Drew will hold an in-person document collection window the week of April 19th. You will have the option to opt out of electronic submission and sign up for an in-person document submission appointment when completing the online re-enrollment form.
