DURING COVID-19

WEBINARS	QR CODE	WEBINAR DATE/TIME	ACCOUNT INFORMATION
<p><u>Supporting Equity for English Learners During the Coronavirus Pandemic: Three-part webinar series: Comfort, Communicate, Connect</u></p> <p>This webinar series will focus on the three C's model, developed by Sarah Ottow, of supporting and engaging families right now: 1) comfort, 2) communication, and 3) connection. Participants will be guided through learning, sharing and reflection opportunities about the families they are supporting at this time. Each webinar will use the 3 C's model from Ottow, going deeper in each webinar, where participants will receive relevant resources, engage in reflection, and work in break-out groups to share current successes and opportunities to succeed. The first webinar will focus on how we can comfort families by reaching out and checking on basic needs. The second webinar will focus on how we can communicate effectively with our families, especially when we don't have the face-to-face contact we may be accustomed to. The third webinar will explore ways of virtually connecting for building on families' funds of knowledge for the summer and preparing for back-to-school in the fall.</p>		April 28 1:00-2:30 May 27 1:00-2:30 June 25 1:00-2:30	Free registration with Region 4 ESC.
<p><u>Supporting Exceptional Students Through Student-Centered Learning Strategies</u></p> <p>In this webinar, our guests Sharon Plante and Leslie DiChiara will share how they work with teachers and students across curriculum areas and classrooms to prioritize the learning needs of students with disabilities. From coaching, mentoring, and coteaching to using adaptive technology hardware and software, educators can personalize learning for their students.</p>		April 29, 2020 2:00 PM	Free registration.

WEBINARS	QR CODE	WEBINAR DATE/TIME	ACCOUNT INFORMATION
<p><u>Transform Challenging Behavior Online Conference</u></p> <p>In this online event we'll get at the topic of challenging behavior from many angles. We'll focus on prevention and look at how to support children using innovative strategies you probably haven't tried yet. We'll talk about what to do in those moments when a child is in a full-blown tantrum or aggressing towards others. We'll consider bigger picture societal trends and what those have to do with moment-to-moment classroom struggles.</p>		May 6-12, 2020	Free registration.
<p><u>Utilizing the High Reliability Schools Model and PLC at Work to Improve Learning</u></p> <p>Watch this webcast with Solution Tree expert Cameron L. Rains to learn how to harness the power of the PLC at Work® process, in tandem with the High Reliability Schools™ framework, to drive continuous improvement in your district across five key areas:</p> <ul style="list-style-type: none"> • A safe, supportive, and collaborative culture • Effective instruction in every classroom • A guaranteed and viable curriculum • Standards-referenced reporting • Competency-based education 		Instantly Viewable	No need to create account.
<p><u>The Whole Child Virtual Summit</u></p> <p>Our curricula and trainings are focused on fostering the Whole Child with vertically aligned lessons that teach SEL and character, side-by-side.</p>		New Speakers Daily; April 13 th through April 24 th	No need to create account.
